

FULL AGREEMENT IS REACHED BY ALLIES ON ALL QUESTIONS

Germany Must Disarm by July 1 --Must Pay Forty Two Annuities of 226,000,000,000 Marks--Steps Will be Taken to Aid Austria.

(By The Associated Press)
PARIS, Jan. 29.—Full agreement on reparations, German disarmament and all other important questions before it was reached by the supreme council of the allies when it adjourned at 5:40 o'clock this evening to meet again in London February 21.

The greatest result obtained was, as M. Briand, the French premier expressed it after the closing session, "maintenance by the allies of a front as united in making peace as it was in waging war." Count Sforza, the Italian foreign minister, and M. Briand, said the conference had resulted to the satisfaction of everybody concerned.

A protocol was signed approving the reparations scheme as agreed by the special committee appointed by the council to consider the subject and also report on the disarmament of Germany as presented by the military committee. Under these arrangements Germany must disarm by July 1, disbanding all her civil guards not provided for in the Versailles treaty.

Germany will be called upon to pay in forty-two annuities 226,000,000,000 gold marks. Her exports will in addition bear an export duty of 12 per cent that will go to the allies. On the basis of last year's exports this would give the allies 1,250,000,000,000 gold marks. Thus it is expected the first payment made by Germany will be 3,250,000,000 gold marks.

Will Act as Tariff.
It is pointed out that, besides being a sure method of collection of the reparations, it will act as a protective tariff in countries that are likely to be flooded with goods made in Germany at a very low cost of production because of the relatively low value of the mark and which consequently can be offered in Germany.

The penalties agreed upon by the council for violations by Germany will apply to all the agreements alike—reparations, disarmament and coal deliveries.

A strong feature of the reparations plan, from the French point of view is that it associates the allies in the benefits of Germany's prosperity. The council also agreed to forego payments for reparations and other debts from Austria in order to enable her the better to negotiate for outside aid.

Will Aid Austria.
In the attempt to aid Austria it was decided to convene in the neighborhood of Trieste a conference of Austria and adjoining countries for the purpose of endeavoring to improve economic, commercial, financial and political relations between the Central European states.

Approval was given to M. Loecheur's proposal for a 200,000,000 franc corporation to assist Austrian industries in which the different governments may participate. A commission will be appointed to inquire into the conduct of the Austrian administration with a view to suggesting economies and improving the various services.

The British premier expressed lively satisfaction over the fact that the allies had maintained their solid front.

The council adopted the following resolution:
"The allies, convinced that close union is as necessary in the present peace as it was in war, are resolved to allow nothing to impair it. They consider union as the surest guarantee of the peace of the world, the execution of the treaties and fidelity to international engagements and penalties agreed to."

Before the delegates dispersed Premier Briand and Lloyd George thanked them for their cooperation.

"We have succeeded by good will and concessions," M. Briand said, in attributing a great part of the success to such spirit. Mr. Lloyd George said that the conference work was the subject of congratulations and was due largely to M. Briand's admirable efforts.

"It has been my painful duty," continued Mr. Lloyd George, smilingly, "to criticize what M. Briand has said on several occasions. But I did it for his good and because of my affection for him, and with what good results we now see."

Great resistance is expected from Germany over reparations. The allies will hear the Germans at a conference to be held in

JOHNSON ATTACKS PROPOSED JAPAN U. S. AGREEMENT

Would Abrogate Recent California Legislation

SITUATION WOULD BE INTOLERABLE

(By The Associated Press)
WASHINGTON, Jan. 29.—Open attack on the proposed agreement between Japan and the United States as to the status of Japan in this country was made by Senator Johnson of California, today in a statement criticizing what he said was provided for in the tentative plans worked out here by Ambassadors Shidehara and Morris.

The plan is now before the two governments and has not been made public in Washington or Tokyo. Senator Johnson declared, however, on the basis of statements, "from authoritative sources," as to its provisions that its result would be "a continuance of Japanese immigration and increase in the Japanese population in the west."

Colby Refuses Comment.

Secretary Colby who conferred during the day with President Wilson, refused to make casual answer to the senator's statements. The Japanese agreement, he said, has not been discussed during the White House conference and he added that Senator Johnson, while "undoubtedly sincere," was "proceeding from a number of erroneous assumptions" in what he said.

Senator Johnson said the plan would in effect abrogate and destroy the alien land law recently voted by the people of California. It would also, he said, provide as to Japanese exclusion for another "so-called gentlemen's agreement which does not exclude."

Such a situation, the California senator said, was "intolerable" and he added that "the consummation of such a plan will be resisted."

PHYSICAL CONDITION CREATES EFFICIENCY

Say Physical Examinations Give Men Better Adapted to Job.

(By The Associated Press)
NEW YORK, Jan. 29.—Physical examinations of more than 400,000 industrial employees in forty two plants have increased efficiency and made for a better adaptation of workers to their jobs, says a report by the examining physicians to the National Industrial Conference board.

Fewer accidents have occurred since the examination, akin to those in use by the army were instituted the report said, naming among other beneficial results, lower labor turnovers, reduction in absence from work and a feeling among employees that their interests are intelligently safeguarded.

"Examinations in industry," it continued, "assist in the management in placing the worker in positions for which he is physically suited, while the defects and limitations of handicapped workers are found and their job assignment made accordingly."

When the interview began, Mr. Lloyd George smilingly expressed his belief that the Germans would not like the terms greatly, but he anticipated no difficulty in collecting the tax.

"The reparations commission will continue to function because France wishes that Germany's total debt to the allies shall be calculated in accordance with the treaty," he said. "Furthermore, the possibility of Germany's refusing our arrangement must be foreseen in which case there is nothing for us to do but to apply the treaty literally."

STEDMAN PRESENTED WITH GOLD WATCH
Washington, Jan. 29.—Representative Stedman, democrat of North Carolina, was given an ovation and a gold watch by the House today in celebration of his 80th birthday. He is the only member of the House or Senate who served in the confederate army.

LABOR CONFERENCE HAS BEEN POSTPONED
Washington, Jan. 29.—The third international labor conference, scheduled to be held at Geneva in April has been postponed until next October.

London, Feb. 28, and will then decide whether their objections shall be taken into consideration.

The council agreed to adopt the reparations commission's proposal that Germany should deliver 2,500,000 tons of coal monthly, beginning in February and any balance remaining under the Spa agreement terminating January 31. There will be no further premiums of five marks gold per ton, but two marks gold will be allowed for a special quality of coal.

HEAD OF SYRACUSE UNIVERSITY ISSUES BROAD STATEMENT

Criticizes the Government's Report on Steel Situation

ALSO ATTACKS UNION LABOR MOVEMENT

(By The Associated Press)
NEW YORK, Jan. 29.—The interchurch world movement in investigating the great steel strike of 1919, did not represent the church of God, Dr. James E. Du, chancellor of Syracuse University declared in an address here today before the National republican club.

He attacked the movement's report on conditions in the plants of the United States Steel Corporation, declaring the investigators were unqualified to go into this great corporation and judge workingmen's conditions and rights.

Then he attacked the union labor movement, declaring that labor leaders are "extremely mischievous and wield a most dangerous influence over labor in the country."

Hugh Frayne, international organizer of the American Federation of Labor predicting that "attempts to destroy unions, as well as to reduce wages is going to fail."

The country is faced by the great problem of unemployment. Frayne declared, adding that four million workers are willing and ready to labor but none of them can find employment.

UNITED STATES SENATOR WILLIS EULOGIZES M'KINLEY

Says Following of His Tariff Ideas Means Prosperity

BELIEVES HARDING WILL BE OWN BOSS

(By The Associated Press)
CLEVELAND, O., Jan. 29.—United States Senator Frank B. Willis of Ohio, speaking at the Tippecanoe Club's annual McKinley Day dinner tonight, after eulogizing the martyred president, declared that President Harding would make his decisions independent of the "so-called senatorial oligarchy."

Senator Willis who succeeded President-elect Harding as senator from Ohio said the incoming president intended to be his own sponsor in the president's chair and that the bogey of the senate oligarchy was the non-existent figment of political brain.

Referring to American business conditions Senator Willis said:

"We shall not be upon a sound basis until we rewrite a tariff law upon the principles of protection. The protective tariff ideas of William McKinley, that brought prosperity to the country in the late '90's, if safely applied, will prevent industrial disaster in the months ahead."

HOUSE MEMBERS IN HEATED DISCUSSION

Agricultural Committee Refuse Hearings of Bills Dealing With Packer Regulation—Illinois Members Make Request for Hearings.

Washington, Jan. 29.—In a public session marked by heated exchanges between members the house agriculture committee refused today to grant anyone hearings on the bills dealing with packer regulation. By a tie vote, a motion to substitute a house bill for a senate measure creating a live stock commission was defeated.

After an all day session the committee adjourned until Monday with only three pages of the senate bill read.

Requests for additional hearings were made by Representative Rainey, Democrat and McKinley and Wilson, Republicans, all of Illinois, and McLaughlin, Republican of Michigan, but were rejected. In urging the hearings, the congressmen contended that the construction of the word "packer" as defined in the senate bill had led shoe manufacturers and other industries to fear they might come within the provisions of the measure.

Proponents of the senate bill said no such construction of the measure was justified.

SHIP BUILDERS WILL VOTE ON WAGE REDUCTION
Washington, Jan. 29.—Decision as to acceptance by between 60,000 and 75,000 skilled workers in American shipyards of a reduction of from 10 to 20 percent in wages as a means of revivifying the industry today was put up to the men by officials of labor organizations including most of the yard employees in their membership. A general referendum was ordered on wage reduction proposals of the Atlantic Coast shipbuilders association and the Bethlehem shipbuilding corporation. Labor leaders here were unable to forecast the result which they said would not be known before the middle of February at the earliest.

OPPOSITION TO WAGE REDUCTION WILL BE STRONG

Say Railroad Men Will Not Submit Peaceably

LIVING COSTS HAVE NOT DECREASED

(By The Associated Press)
CLEVELAND, O., Jan. 29.—Heads of three big railroad brotherhoods in formal statements tonight said the railroad men of the country "will not peaceably submit" to the wage reductions which Chicago dispatches say the railways will seek from the United States railway labor board in a petition to be presented Monday.

W. G. Lee, president of the Brotherhood of Railroad Trainmen, W. S. Carter, president of the Brotherhood of Locomotive Firemen and Engineers, and L. E. Shepard, president of the Order of Railway Conductors made this declaration in formal statements. A similar declaration was made Thursday by Warren S. Stone, grand chief of the Brotherhood of Locomotive Engineers.

Claim Reports Erroneous.
All the brotherhood executives deny that reports of decreases in the cost of living are not borne out by actual conditions but are the result of propaganda; that the wages of railway employees did not increase as rapidly as did the cost of living or as much, and that the railway men are not now receiving as high a standard of wages as are paid in many other industries. Mr. Lee asserted that in his opinion, even if not the greater portion of the business depression has been brought about solely for the purpose of prejudicing the public in the interest of a reduction in wages generally.

Messrs. Lee, Carter and Shepard also pointed out that the railway employee is a piece worker, laid off and not paid when railroad traffic is light. They also took the position that before the railroads could present a request for wage reductions to the board, they would first have to present their case to the men and negotiations failing there, then appeal to the board.

Measures, Lee, Carter and Shepard also pointed out that the railway employee is a piece worker, laid off and not paid when railroad traffic is light. They also took the position that before the railroads could present a request for wage reductions to the board, they would first have to present their case to the men and negotiations failing there, then appeal to the board.

CANNOT PUT MODERN BATTLESHIP CLEAR OUT OF COMMISSION

Navy Department Reaches Conclusion After Making Experiments

INDIANA IS USED AS A TARGET

(By The Associated Press)
WASHINGTON, Jan. 29.—Bombing experiments conducted recently against the old Battleship Indiana, have demonstrated the "probability of a modern battleship being either destroyed or completely put out of action," according to a report made public by the navy department today. The report was from Captain W. D. Leahy, director of gunnery exercises.

The department has accurate information held as confidential regarding the number of hits that may be expected against a vessel at sea by aerial bombs, the report said. In the Indiana experiments an effort was made to drop live bombs on the vessel but bombs of different design and weights were placed about the decks to determine the amount of damage that might be expected from an aerial bomb, the statement said. Dummy bombs were dropped from aircraft to determine the percentage of hits.

Naval officers were much exercised today over the testimony of Brigadier General William Mitchell, director of trading and operations of the army air service before the house appropriations committee to the effect that the airplane had made the navy virtually useless. Secretary Daniels said he knew of no development of the world war or experience since that would justify such a conclusion.

CONSULAR BILL OF EIGHT MILLION IS RIDDLED BY HOUSE

This Action Serves as a Warning of What May be Expected When the Army and Naval Appropriations Come Up—Jealousy is Attributed as the Cause of This Action

(By The Associated Press)
WASHINGTON, Jan. 29.—A growing wave of discontent over the new system of framing big appropriation measures broke in the house today with unexpected fury.

The upshot of it all was the virtual riddling of the eight million dollar diplomatic consular bill on points of order, which eliminated funds intended for the conduct of American business abroad.

The attack served as a warning of what may be expected next week when the house begins consideration of the army and naval appropriation bills. It gave leaders cause for serious thought as to whether the supply measures could be put thru before the close of the session on March 3.

Heretofore the diplomatic bill has been prepared by the foreign affairs committee in intimate touch with the needs of the service. The same rule applied to other committees, but under the new system the ranking republican and democratic members of the foreign affairs committee, for example, were transferred to a consolidated committee of 35 members.

Prompted by Jealousy.
Jealous of their old powers, some chairmen and committeemen it was said, made no attempt to conceal animosity to desire to take a check at the diplomatic bill.

Defending the new policy, Representative Mondell, republican leader, declared it was in the interest of economy and that 158 members had freely surrendered their former rights for the common good.

Representative Small, democrat of North Carolina, member of the sub-committee which reported the diplomatic bill, declared the system was wrong and asserted that by this method 35 men actually were doing the work that 435 were elected to do.

Attacking what he described as the effort to cripple a necessary government service thru improper tactics, Representative Madden, republican, of Illinois, called attention to what he characterized as an odd proceeding.

"Altho this bill carries nearly one million dollars

If this brand of weather keeps on, there will be little difficulty in getting people to demand the all-time county health officer plan. April days in January are not conducive to normally healthy conditions.

A Pennsylvania coal operator is shocked beyond measure by the effrontery of Senator Calder, who said that profiteering on the part of the coal men had muted the public of a billion and a half dollars. This operator says he is very certain that the figures would not show more than \$600,000,000. No wonder, he felt the insult.

It should be remembered when you note the lengthy speeches that some members of the Senate and the national House of Representatives are making these days that their terms of office will expire in just about another four weeks. It isn't unusual that they should want to take this last opportunity of letting their constituents and the public generally know their views.

It is interesting to wonder just what would have happened had Theodore Roosevelt been president of the United States when the story came that Bergdall, the American draft evader, was able to fight off two detectives who sought to arrest him in Germany. Something like the famous message that went to Morocco might have been flashed across the wires to the present German government, which is still formally in a state of war with the United States.

"POLLY WITH A PAST"

Starring the Captivating

INA CLAIRE

An actress of youth, beauty and one of the most magnetic personalities of the stage or screen, in vivid picturization of the comedy drama hit of her astonishing career

Polly had a little past;
It really was alarming;
Yet how could people think her
fast. Her smile was so disarming?

POLLY WITH A PAST

Oh! Boy! They said she was the
Wickedest Woman in Paris!

Salome has nothing on her! By the
way—here's a tip. You want to watch
for Salome. Her entire wardrobe
doesn't weigh two ounces!

BACHELORS AND BACHELORETTEES.
Should bachelors be taxed? Since Mrs. Clara Taylor of Washington, proclaimed her theory that the 10,000,000 single men in this country ought to be subject to a graduated tax of from \$1 to \$5 a year, everyone from feminist to economist has been debating the question. Such a tax, Mrs. Taylor has discovered, would yield the government an annual income of \$20,000,000.

The stand of the new women voters is peculiar, but logical. They want to be taxed, too! That is, the "bachelor girls" among them do. Let Miss Lucille Pugh, a lawyer, state their case:

"There it is again; the old double standard. Why should we women be discriminated for or against in the matter of taxation any more than in voting. Personally, I am sure I would be willing to pay \$1 or \$2, or \$1,000 or any amount a year to insure so-called my continued freedom."

It seems curious that the so-called double standard should be lagged from the field of morality to that of politics. Yet the feminists must certainly be congratulated on their vigilance. They went after suffrage with eyes open. Now they show no disposition to dodge the responsibilities which the ballot involves.

INTERIM A WASTE OF TIME.
The proposal to advance the date of the inauguration nearer to the time of the election of the president and vice-president of the United States is one that should not be permitted to pass without serious consideration by Congress.

The interval of four months which elapses between the election and the inauguration of a president is practically wasted by Congress when a change of administration is pending. Even if Congress should pass measures favored by the Republican party, it is almost certain that they would be vetoed by the democratic president.

Two proposals for amending the constitution regarding the inauguration are pending in Congress. One of them fixes the first Monday of December for the meeting of the new Congress and the second Monday for the inauguration of the president. The other fixes the

second Monday of January for the January meeting of Congress and the third Monday for the inauguration.

The first proposal would probably be favored by a majority of the people. If there is any advantage in making the change, it might as well be made within 30 days of the holding of the election, which would give plenty of time for verification of the vote by the Senate, which would meet one week ahead of the inauguration.

The waste of time and money by a Congress which is not actually functioning because of an antagonistic administration, seems to warrant enough for the passing of a resolution that would place the matter of changing the inaugural date before the state legislatures. It looks like a bit of governmental economy that may well be approved by all the states.

HOSPITAL PATIENT DIES OF INJURIES
L. J. Cotham's Death Results From Fall Down Stairs—Coroner Rose Held Inquest.

L. J. Cotham, a patient in Jacksonville State Hospital, died Saturday morning, death resulting from injuries received a week ago when he fell down a stairway. Mr. Cotham was 85 years old and was admitted to the hospital from Macon county about a year ago.

Owing to the nature of the death, Coroner Charles A. Rose was summoned and held an inquest. The members of the jury were Charles Knollenberg, Ellisworth Wells, S. L. Perry, Kenneth Fair, Lloyd Wells and John R. Kirkman.

The jury returned a verdict that death resulted from shock caused by the fall. Witnesses before the jury testified that Mr. Cotham had broken his hip in a fall down a stairway and that owing to his advanced age the shock in all probability caused his death.

The remains were sent to Macon county last night.

D. A. R. WILL HOLD UNIQUE THRIFT SALE

Women of Patriotic Society to Raise Money for Entertainment of State Conference Here in March.

An enthusiastic committee of the Rev. James Caldwell Chapter, D. A. R., met in the basement of the Ayers Bank Friday afternoon to perfect its organization for the Thrift Sale which it plans to hold at an early date. Mrs. J. Frank Strawn, the chairman, presided and Mrs. Lillian Danskin was made secretary of the committee and Mrs. Kate Hollinger, treasurer. Other members present were: Miss Maria Fairbanks, Mrs. Harriet Nelson, Mrs. George Tremblett, Mrs. Miller Weir, Mrs. Lillian King, Mrs. Clara Alexander. Other members are Mrs. Zola Donahoe, Mrs. Wm. Newman, Jr., Mrs. Harry Andrew, Mrs. H. A. Chapin, Miss Clara Cobb, Mrs. L. L. Potter, Miss Jeanette Russell, Mrs. Lucinda Richey, Mrs. Eugene Caldwell, Mrs. Clarence Buckingham, Mrs. Julius Strawn, Misses Hazel Strawn, Ellie Traube, Grace and Ruth Rapp, Edna Stout, Annie Clayton.

The question of location was discussed and Mrs. Clara Alexander was appointed chairman of that committee. The following chairman of committees were named:

Sales—Mrs. J. Parker Doan.
Millinery—Mrs. George Tremblett.
Market—Mrs. Julius Strawn.
Publicity—Mrs. Danskin.
Correspondence—Mrs. Lillian King.

Checking—Mrs. Clarence Buckingham.
Marking—Mrs. Lucinda Richey.
Transportation—Mrs. J. Frank Strawn.

The date of the sale was not set as it depends on the location secured.

The state conference of the Illinois Daughters American Revolution meets in Jacksonville March 22, 23, and 24, and the proceeds of this sale will go towards the entertainment of the visiting Daughters.

These Thrift Sales have been very successful in other cities. Evanston, Ill., cleared \$1,000 a month on one they maintained.

K. OF C. MINSTRELS
For school children only, Monday night, 8 o'clock. Liberty Hall. Admission 25c.

WITH THE SICK
Mark Hunt was confined to his home by illness yesterday.

Fred Mathews who has been seriously ill of diphtheria, at the home of his parents on South East street, has so far recovered that he expects to return to business in a few days. Mr. Mathews wife is at present in Spokane.

Little Betty Lane is recovering from a spell of measles.

Harlan Moses is ill at the family home, 501 North Fayette street. The case has been reported to Dr. Allen M. King and there are indications that this may be a case of that mysterious disease described as sleeping sickness.

Marvin Thompson of Alexander precinct has been taken to his home after a long hospital experience. It was four months ago that Mr. Thompson was injured by a fall from a water tank, and since that time has been at Passavant hospital.

PRESIDENT JENKINS SPEAKER TONIGHT
The speaker at the Community Forum this evening has had a large experience on the platform and knows how to get things across. He is full of humor and is an orator who hails from the land of orators—Wales.

President Jenkins is head of the new College in Chicago which is undertaking the task of training foreign speaking students to cope with the problems of foreign speaking people within the borders of the United States.

Dr. Jenkins has traveled a great deal and has earned the reputation of being versatile with any subject which is presented to him. This evening he will speak on the subject "The Puritan Conscience in American Fiction". In his address the Forum speaker will address himself to a number of the most urgent problems which confront the American people.

CARD OF THANKS.
We wish to thank the many friends and neighbors who assisted us so kindly during the illness and after the death of my wife and mother. We especially thank those who furnished cars and for the many beautiful flowers.
Manuel Baptist, And Family.

BROTHER ILL IN COLORADO.
Edward and John Phillips of the Clark's Chapel neighborhood departed for Colorado Springs yesterday to visit their brother, who is very ill. Mr. Phillips went to the Springs about three months ago and is now in a critical condition.

Social Events

Party for Couple
Soon to Wed
Miss Anna Weir Palmer and Isabel Woodman entertained last evening at an informal party given in honor of Miss Lora Bancroft and Harold Swain. The guests included only the most intimate friends of the bride and groom-to-be. The evening was pleasantly spent in a social way, and supper was served at a late hour.

Entertained Bridal Party
Leo J. Clancy entertained last evening at his home on South Clay avenue at six o'clock dinner in honor of Miss Loreta Piepenbring and Mr. Dot Butler whose wedding is an event of the coming week. The guests included only the members of the wedding party and after a delicious four course dinner was served the evening was spent in a pleasant social way.

Entertained Bridge Club
Mr. and Mrs. Charles Ator entertained the Bridge club of which they are members, Friday evening at their home on West State street. Each member brought one guest and the evening was pleasantly spent playing cards. The prizes were won by Mrs. Leo Johnson, Clyde Singley and Mr. and Mrs. Fred Randall. Attractive refreshments were served during the evening.

Entertain for Miss Horsburgh
Mrs. Ensley Moore and Miss Clara Catherine Moore entertained Saturday afternoon in honor of Miss Beatrice Horsburgh and her mother, Mrs. Horsburgh. Miss Horsburgh is the new violin instructor at the Illinois Woman's college and she and her mother have just come to Jacksonville from their home in New York.

A number of Miss Moore's friends were invited to meet Miss Horsburgh and afternoon tea was served by the hostesses.

Helping Class of Hebrew Church Met.
The Helping Class of Hebrew church held their regular meeting at the home of Mrs. A. S. Water, held recently with a good attendance of members.

The program was as follows: Devotional led by Mrs. Dan Ward. Roll call, name a prophet. Music was furnished on piano and Victrola. Reading by Mrs. Charles Bealmeier.

The class voted to join the county federation. Refreshments and a social hour followed the program. The next meeting will be held with Mrs. Walter Wheeler, Feb. 10.

Celebrated Thirtieth Wedding Anniversary.
Mr. and Mrs. Amos Wight celebrated their thirtieth wedding anniversary at their home, 223 North Eighth street, Springfield, last Friday. They were united in marriage near Litchberry January 28, 1891.

They are the parents of four children, Mrs. Nettie Williams, Amos Wight, Jr., Mrs. Hazel Fanning, of Jacksonville, and Jessie Wright, residing at home. They also have six grandchildren Raymond, Dorothy Jane, and Robert Williams and Earl, Leslie and Katherine Wight.

Missionary Society To Meet Friday.
The Woman's Foreign Missionary society of Grace M. E. church will meet Tuesday afternoon February 1st, at three o'clock at the home of Mrs. Dr. Baxter, 826 West College avenue.

The assistant hostesses are Mrs. Fletcher and Mrs. Black. Mrs. R. A. Gates will have charge of the lesson study. There will be a meeting of the Executive Board at two o'clock.

Kathryn Magill Entertains Friends.
Kathryn Magill entertained at her home, 236 West Greenwood avenue, Saturday afternoon, a number of school friends. The afternoon was spent with games and music. Miss Magill received many useful birthday presents. Delicious refreshments were served. Those present were: Misses Helen German, Alma Meyers, Lela Dalton Florence Galle, Adele Martin, Lucille Barnhart, Mary Walters and Christine Kendall.

Unity Workers of Woodson Church Serve Dinner.
The Unity Workers of Woodson Presbyterian church served dinner to about sixty members and friends Thursday at the home of Mrs. E. W. Sorrells. Following the dinner came a business session, when the society voted in favor of contributing \$10 to the Near East relief fund. During the afternoon the following program was carried out:

Victrola music.
Recitation—Frank Powell.
Recitation—Miss Hazel Green.
Vocal solo—Mrs. A. E. Powell.
Reading—Mrs. Steinmetz.
Reading—Mrs. Hogland.
Recitation—Miss Irene Smith.
Closing song, "Blest Be The Tie That Binds."

A social hour was enjoyed, when the hostess served refreshments of a most acceptable kind.

Domestic Science Round Table Special Meeting
The Domestic Science Round Table held a special meeting Saturday afternoon at Grace church. The afternoon's program under the direction of Mrs. Ben Lorton, chairman, was a very interesting and instructive one. A demonstration of aluminum cookery was given by H. G. McGill, assisted by Mrs. McGill. Mr. McGill gave a very interesting lecture and some practical demonstration

tions of aluminum cookery were given. Cakes and biscuits can be cooked on top of the stove thus saving much fuel and doing away with tedious oven baking. The demonstration showed that oven baking could be almost entirely done away with and proved the advantages of aluminum cookery. The refreshments for the afternoon consisted of the delicious products of the afternoon's cooking.

Rush for Miss Doolin Soon to Wed
Miss Mary Doolin was the guest of honor at a miscellaneous rush given Friday evening by Miss Layde and Mayme Murphy at their home on Chambers street. Miss Doolin is to become the bride of John E. Wathem of Equality, Ill., in the very near future.

About twenty-five girls were the guests and the brought many beautiful and attractive gifts for the guest of honor. Games were played during the evening and prizes were won by Mrs. Louis Steer, Miss Mary Doolin, Miss Margaret Sheehan and Miss Frances Gorman.

An excellent supper was served in the course of the evening and when the favor cake was cut Miss Nellie Kinney drew the dime, Miss Genevieve Herbstler the ring, Miss Mayme Murphy the darning needle and Mary Doolin, the thimble.

Golden Rule Class of Woodson Church Met.
The Golden Rule Bible Class of the Woodson Christian church held the regular monthly meeting Friday afternoon in the church basement. Mrs. Ida McGinnis is the president of the class, which is doing a splendid work according to report made for the past three months. Mrs. I. H. Fuller is the teacher, and much of the interest in the class work is due to her untiring efforts.

Among reports made Friday afternoon were some giving the facts as to various activities of past days. It was reported that at Thanksgiving time the class remembered the Old People's Home in this city with a contribution of 46 quarts of fruit. Then on Jan. 15 the class members went to the Old People's Home with a supply of home-made cakes, this treat being especially in honor of the ninety-fifth birthday of "Grandma" Jasper, who is a resident of the Home. At Christmas time the class sent two large boxes of cookies to the orphan's home in St. Louis, and also sent cut flowers to a number of shut-ins.

At the close of the business session came a brief program in which most of those present had some part. Delicious refreshments were served before adjournment.

Domestic Science Round Table Met Saturday.
The Domestic Science Round Table of the Jacksonville Woman's Club met in special session Saturday afternoon at 2:30 in the dining room of Grace M. E. church. Mrs. J. J. Reeve presided and gave the meeting over to Mrs. Ben Lorton who was chairman of the committee on arrangements for the afternoon.

Mrs. Lorton was assisted by Mesdames George Tremblett, L. E. Wyatt, C. E. Williamson, W. D. Doying and Geraldine Sovern.

The occasion was a lecture and demonstration on the use and care of aluminum ware by Mr. Magill.

Mr. Magill told of the development of aluminum since its first introduction in 1806. He explained its composition, the making of the finished product, and why it was the safest, cleanest and best cooking utensil on the market today. There is no danger of metallic poisoning when aluminum is used. The metal is non-porous, and the taste of one food is not carried to another. The aluminum does not absorb the chemical in the food, which is important, as the chemicals in the food are the system builders and should be retained in the food.

He explained in detail the various uses of the utensils he was showing, told how to save gas by cooking several different articles of food on one burner, and baking cakes and pies on top of the stove. The aluminum utensils are light, the food cooked in them cooks quickly, does not burn easily, and requires very little stirring. The first cost is small when you consider that aluminum is almost indestructible and therefore lasts a life-time.

Mr. Magill spoke of the large percentage of people who had stomach trouble and how much of it was caused by the use of improper cooking utensils; how much of the appendicitis was caused by chips from granite cooking utensils.

Mr. Magill was assisted in the demonstration by Mrs. Magill and the close of the lecture a very nice luncheon was served.

D. O. K. K.
Regular meeting tomorrow night. Business of importance. Be present.

ENTERTAINMENT AT WHITE HALL A SUCCESS

Home Talent Presentation Scores Big Hit in Greene County Town—Other White Hall News Notes.

White Hall, Jan. 29.—A very large audience greeted the presentation in the auditorium of the M. E. church Thursday evening of colored folkore or southern melodies, presented by home talent under the direction of Mrs. R. F. Barnett, scoring one of the most remarkable successes in the history of home talent productions, and marking the beginning of a series of entertainment affairs to be carried out at this church.

The first part consisted of songs, lullabies, recitations and choruses, as follows: Overture, piano; medley, "Southern Melodies," chorus; quartet, "Rock Him to Sleep," Messrs. Rich, Winters, Marks, Thurman; reading, "When Malindy Sings," Mrs. E. O. Pearce; quartet, "Mammy's Lil' Pigeon," Messdames Pearce, Barton; Messrs. Rich, Littleton; double quartet, "Under Southern Skies," Messrs. Profitt, Rich, Winters, Knox, McClure, Marks, Littleton, Thurman; ladies' quartet, "Doan Yo Cry, Ma Honey," Messd. Pearce, Brown, Barton, Littleton; quartet, "On De Sleepy Sho," Messd. Brown, Littleton, C. Messrs. Rich, Littleton; solo, "Yo's a Little Bit O' Honey," Helen Teter; solo and chorus, "Darling Clo," Harry Littleton; reading, "Bud's Charge," Irene Barnett; "Stay in Yo own Back Yard," Geraldine Thompson; chorus, "Old Black Joe," ladies' quartet, "Kentucky Babe," Messdames Brown, Littleton, Misses Winn, Ellis.

The second part was in colored make-up by all the participants, and included a string orchestra; solo and chorus, "Mammy's Lil' Coal Black Rose," chorus "Noah's Ark," reading, Mrs. E. C. Pearce; duet, "Lil' Liza Jane," solo, "Coom Lullaby," chorus, "Ebry Day'll Be Sunday," solo, "Ise Gwine Back to Dixie," duet, "A Family Affair," chorus, "Swing Low, Sweet Chariot," solo and chorus "Hush-a-by Ma Baby," solo, "Hush-a-Baby."

The big idea was the presentation of southern negro melodies, especially lullabies, and there was created a tremendous revival of interest in colored folklores, the affair being given for the benefit of the Sunday school.

Next Friday night there will be an entertainment by the Roodhouse orchestra, to include recitations, solo work and other music aside from the orchestra of our neighboring city, and will be for the benefit of the Epworth League.

On February 7, there will be a benefit for the public library under the auspices of all the clubs of the city, led by the Round Table. Rev. Kirkpatrick at this time will give an illustrated lecture on Ben Hur, the third great book of the world. The illustrations, being made from the edition of the General Wallace's great work, and in addition Rev. Kirkpatrick will illustrate some of the choicest masters of the world.

An area subdistrict conference is scheduled for next Wednesday afternoon from 2 to 4 o'clock, followed by the second quarterly conference. The conference will be addressed by Joseph Vaneleave, D. D., Rev. Moore and James Shaw. At night Dr. Vaneleave will present some new illustrations on what the century is doing and this will be free.

PUBLIC SALE
Tuesday, February 1, 1921
1½ miles north of town commencing at 1 p. m. Cows, hogs, farm implements and household goods.

J. H. REDBURN.

TO DISCUSS OPERATION OF AUTOMOBILE CLUBS
Chicago. By the A. P. Problems of importance regarding the operation of automobile clubs thruout the state will come up for discussion at the annual meeting of the Illinois Automobile Association here next Monday. Sessions will be held in the Lexington Hotel.

On proposition to be threshed out will be whether non-club members should be charged for tourists' information. At present no charge is being made, but there has been some agitation in favor of one.

Large delegations of auto enthusiasts from all parts of the state are expected to be present. Dr. A. C. Baxter, one of the state association directors, will head a delegation of ten from Springfield.

DETROIT POLICE KILL NUMBER OF BANDITS
(By The Associated Press.)
Detroit, Mich., Jan. 29.—Nine armed bandits were killed and 22 thieves wounded by Detroit police during the last three months of 1920 at an estimated cost of \$10 each, according to police department reports.

In disposing of the 31 men policemen used approximately \$310 worth of ammunition, either in the shootings or in target practice to fit themselves for duels with bandits.

To encourage target practice among police officers the department has announced it would sell cartridges at cost to patrolmen.

TO CO-OPERATE IN JOINT BUYING

Farm Bureau and Farm Elevator Companies Reach Agreement.

Representatives of Farmer's elevators of Morgan county met Friday at the Farm Bureau office here and framed an agreement of cooperation to be applied to purchases of farm necessities. Such a plan was first voiced several months ago, and yesterday's meeting brings things up to the point that purchases will soon be made by the Farm Bureau, with the elevators as distributors.

Limestone, phosphate, seed, feed and everything else that may be mutually agreed upon from time to time will be handled under the following agreement:

The Farm Bureau agrees to secure the orders for the commodities mentioned, locate the sources of supply, secure satisfactory prices, order for the convenience of the elevator, and notify those pooling their orders that the shipment has arrived at the elevator, and to secure additional orders if any be cancelled so that the elevator will not be left with a dead stock of the commodity on hand.

The Elevator Company agrees to receive, pay and care for the shipment in a business like way, handle the commodities on a 10% margin or what may be agreed upon from time to time, to deliver these commodities to parties pooling or their proxies, and to collect pay from the parties receiving the goods when the delivery is made.

"HOW COME"

Continued

ONE WEEK

Every man, young or old, likes the old standard Blue Serge. Some like the striped blue, and some like the browns.

Well, we've got a few bolts of these extra fine goods, at absolutely low and attractive prices. (Beats ready made.)

We told you last week, under the above caption, "How Come," just how we happened to be in possession of these goods. If you didn't read it, or have forgotten, drop in and let us tell you about it. It won't obligate you in any way.

We don't want anybody to say later, "Why in heck didn't you let me know you had these fine goods and at such a low price?"

I am telling you now, right now, and in addition am showing the goods in our window.

Remember the unsold portions of these bolts go back to the jobber. We can't afford to carry it in stock. Spring goods are higher. TAKE THE TIP.

WILLIAM J. BRYAN GREETES HARDING AT MIAMI, FLORIDA

President Elect Will Call at Bryan Home While There

GOLF AND VISITING OCCUPIED DAY

(By The Associated Press)

Miami, Fla., Jan. 29.—President-elect Harding completed his houseboat cruise down the Florida coast today and lingered over night at the winter playground on Miami Beach before starting his fishing expedition among the Florida keys. He was quartered for the night in a winter cottage fronting Biscayne Bay and will not start for the fishing grounds until late tomorrow.

With the party of friends who accompanied him along the coast the president-elect took luncheon at a hotel, played golf on the Miami Beach links, and spent the rest of the day with the winter colonists there. He had dinner privately as the guest of former Governor Durbin, of Indiana, and Fred Upham, treasurer of the Republican National Committee.

Plans for an official reception were abandoned at Mr. Harding's request, but a reception committee headed by Frank B. Shuts, of the Miami Herald met the House Boat Victoria, on which Mr. Harding made the trip from St. Augustine, and escorted her up the bay and crowds gathered at the causeway cheered the president-elect.

One of the first to call and pay his respects to the presidential party was William Jennings Bryan who has a residence here. It is understood that Mr. Harding accepted an invitation to call at the Bryan home some time before he bids good bye to Southern Florida.

BUYS GREATEST AMOUNT THIRT STAMPS PER CAPITA

Washington, Jan. 29.—Sale of thrift stamps and other treasury securities was greater, per capita in Alaska during 192 than in any state of the union according to a statement tonight by the treasury department. The average investment in Alaska by every man, woman and child was \$2.20. Ohio led the states with a per capita of \$1.50 while the District of Columbia was next with an average of 95 cents.

Many PEOPLE HAVE SAVINGS ACCOUNTS THRUOUT THE WORLD

United States Inhabitants Have One Fourth of Them

GERMANY LEADS WORLD IN NUMBERS

(By The Associated Press)

NEW YORK, Jan. 29.—Every man, woman and child in the world would have \$13.58 from an equal distribution of all the money deposit in mutual, stock and postal savings banks of the globe. It was estimated today by the savings banks association of the state of New York.

There are 146,277,394 holders of small savings accounts in the world, the estimate shows, who have on deposit \$23,123,285,677, a sum greater than the combined wealth of Germany, Austria, Hungary, Turkey and Bulgaria. The average deposit account of the world over is \$158.98.

Of the total amount of world savings, inhabitants of the United States possess more than one quarter according to the association's figures. In this country aside from deposits in postal savings there are 11,427,556 depositors in mutual and stock savings banks with total deposits of \$6,536,470,000 or two per cent of the country's wealth. This marks a gain of approximately \$634,000,000 last year.

The average deposit account in the mutual and stock savings banks in the United States is \$571.99 and the average deposit per inhabitant \$61.55. The association more than one-tenth of the people in this country have accounts in either mutual, stock or postal savings banks. In the twenty-three foreign countries reporting with a combined population of 993,280,000 the average deposit account in savings banks is \$122.34, and the average deposit per inhabitant \$17.60.

Germany leads the world in point of numbers of savers in any one country. There 27,000,000 or forty per cent of the inhabitants have savings in savings banks. Japan stands second with more than 25,000,000 depositors. Great Britain is third with 17,000,000. Fourth in volume of depositors is Russia, where, according to the last official figures, there were 12,488,000 savers, representing almost seven per cent of the total population. The United States which stands fifth in the volume of savings depositors, leads the world (excepting Tunis, a French province) in the average deposit account.

NEW INSURANCE COMPANY INCORPORATE

Ray Rowe and Associates Organize Corporation for Development of Automobile Insurance Business.

Telegraphic item in the Journal yesterday told of the incorporation of the United States Underwriters Co. of this city, with a capital of \$100,000. The incorporators are: R. Y. Rowe, O. H. Wilder and J. V. Kennedy, all insurance men with years of successful experience. The offices of the company are to be established at 218 1-2 East State street, above the rooms occupied by the Jewelers Store and Mullen & Hamilton.

The company has been organized for the development of automobile insurance, which now has a large place in the insurance business of the country. The growth of automobile insurance has kept pace with the auto industry and the increasing value of cars.

The state insurance department granted the local company a certificate of compliance a number of days before the incorporation papers were issued. This made it possible to begin business and a considerable number of applications have already been received and passed upon favorably. Mr. Rowe and his associates are in touch with a sales force which thoroughly covers Illinois, and the business to this state only for a comparatively short time, when operations will spread out into a much larger area.

The familiarity of the men who have founded this company with general insurance affairs, their acquaintance thruout a number of states furnish adequate reasons for the expectation that they have founded a large and prosperous business concern, one which will be of distinct value to the city of Jacksonville.

REFUSE DEMAND FOR PRISONER'S RELEASE

(By The Associated Press)

BERGACH, Baden, Jan. 29. Judge Advocate Rucker of the American forces on the Rhine today called on the prosecution attorney and the police authorities and demanded the release of Carl Nuef and Frank Zimmer, who are being held here for attempting to kidnap Grover C. Bergdoll, the American draft evader and his chauffeur, Eugene Stecher.

The surrender of the men was refused by the German authorities and Major Rucker then announced that the American authorities at Coblenz would make a formal demand on the Berlin foreign office for their release.

The major informed the authorities here that Nuef and Zimmer were engaged in the legitimate pursuit of deserters and fugitives from justice and that their detention was illegal.

READJUSTMENT IS DECIDED UPON BY RAILROAD HEADS

Would Abrogate All Agreements Made With Employees

IMMEDIATE ACTION IS URGED

(By The Associated Press)

CHICAGO, Jan. 29.—Railroad executives, after a two day conference behind closed doors, tonight outlined a tentative plan of action designed to make such adjustments as the railroads consider necessary for efficient and economical operation.

Executives in close touch with the conference declared that failure of the roads to gain expected in business had forced them to take immediate action looking toward the immediate abrogation of the present national agreement between the roads and their employees.

Urges Immediate Action.

The agreements now are under fire before the United States railroad labor board. Three weeks have been consumed in present evidence with the end nowhere in sight. Immediate action is urged by the railroads and the conferences of the last two days have been directed toward that end.

It was generally agreed by the conference, according to those in touch with the committee that operating expenses must be cut between \$400,000,000 and \$500,000,000. Abrogation of the national agreements and a consequent cut in shop crafts operating expenses would materially reduce present costs. If further reductions were necessary it was said, an adjustment of wages, involving some wage cuts, would bring the payroll down to what railroads consider the proper figure.

PUT BAN ON LIQUOR WITHDRAWAL

Washington, Jan. 29.—A ban on withdrawals of liquor from bonded warehouses in Maryland, Pennsylvania, New York, Rhode Island, Connecticut, Massachusetts and New Jersey, was announced tonight by Commissioner of Prohibition Kramer. Industrial alcohol, wines for sacramental purposes and five cases of whiskey each to retail druggists are the only exception to the ban, it was announced.

SOUTHERNERS WANT PROTECTIVE TARIFF

Would Have it on Everything but Cotton—Southern Tariff Congress Takes Action.

(By The Associated Press)

ATLANTA, Ga., Jan. 29.—A protective tariff for practically all southern products with the exception of short staple cotton, in which the south enjoys a particular monopoly was urged in resolutions adopted at the closing of the Southern tariff congress today.

Congress was asked to enact a permanent tariff and southern and western senators were urged to join in aiding passage of the Fordney emergency tariff measure. Representative Good of Iowa, addressed the congress urging the protective tariff for all products which are competitive with American industries.

ORE COMPANY MAKES SECOND REDUCTION

East St. Louis, Ill., Jan. 29.—Another wage reduction the second within a month was announced today to the employees of a large ore company. The new scale brings the top pay for skilled mechanics to \$4.75 a day. The plant normally employs 2,500 but at present about one sixth that number is at work.

TO CHIEF OF POLICE KILORAN

Some have said that the most beautiful girl in this territory resides in Jacksonville. Others claim she resides elsewhere. Search is now being made. Will you and your fellow citizens aid in finding her?

REWARD
\$20,200.00 In Cash

As announced in Sunday's Tribune, The Chicago Tribune will pay \$10,000.00 in cash to the most beautiful girl found and \$10,200.00 to 50 other girls selected. Any girl—unmarried or widow—is eligible, except professional. All that is necessary is to select a photograph of any girl, mark on it her name, address and occupation, and send it to "Beauty Contest," The Chicago Tribune, 7 South Dearborn St., Chicago. Further details in next Sunday's Chicago Tribune.

WOODSON PARENT-TEACHERS ASS'N MET

Interesting Program Presented at Regular Session of Association Saturday Night—Hugh P. Green of This City Principal Speaker.

The Parents-Teachers Association of Woodson, held a regular monthly meeting Saturday night at the school building, attended by fifty-five persons. Mrs. F. J. Henderson, the president of the association, presided, and a program of especial merit was given.

The principal speaker of the evening was Hugh P. Green of this city, whose remarks were based upon the work of the Parent-Teachers association. Mr. Green reviewed the history of the organization and gave his hearers a very clear understanding of the work and purpose of the movement, which has as its chief aim the welfare of the child. He said that while the parents and teachers are studying the problem of the child, that the church is also giving special

attention to it and that the law is also caring for the child. Mr. Green spoke in highest terms of the results already accomplished by the organization and prophesied still greater things for the future.

Other numbers on the program Saturday night were:

Address of welcome—Harry Jackson Henderson.

Paper, "The Christ of the Andes," Mrs. I. H. Fuller.

Recitation—Doris Elaine Steinmetz.

Reading—"The A. B. C. Bedtime," Mrs. A. E. Powell.

Recitation—"Just the Flu," Frank Powell.

Solo—Miss Marie Megginson, with Mrs. Nettie Ezard as accompanist.

Reading—"The Runaway Girl," Ellen Dowling.

A fitting finale to the program was the burning of the last note due on the piano purchased by the association some time since for the school. This paper was burned by Mrs. Henderson in the presence of the company.

A brief time was spent socially, when sandwiches, pickles, pie and coffee were served.

COMPANY THROWN INTO BANKRUPTCY

NORFOLK, Va., Jan. 29.—The Crescent Iron Works known under its recent operation as the pattern for the "Norfolk Idea" or organized labor to shape policies of industrial concerns by acquiring a measure of financial control of companies was thrown into involuntary bankruptcy today by three creditors. The claims involved a total of \$1,040.

The experiment began with the purchase last June during a strike of outstanding obligations of the company by the International Association of Machinists. Then necessary funds were furnished thru a Washington, D. C. bank said to be controlled by the International.

No statement could be obtained tonight from union leaders or company officials as to what course would be decided upon to meet the present emergency.

FIXING REPARATIONS WILL BE OF NO EFFECT

Washington Jan. 29.—Fixing of the amount of Germany's reparations, treasury officials said tonight, would be without effect, except indirectly, upon the liquidation of the \$10,000,000,000 war loan to the allies by this country. The allied debt to the United States, they said, is a separate and distinct matter from any indemnity to be exacted from Germany.

A TEXAS WONDER

For kidney and bladder troubles, travel, weak and lame back, rheumatism and irregularities of the kidneys, if not sold by your druggist, by mail \$1.50. Small bottle often cures. Send for sworn testimonials. Dr. E. W. Hall, 224 Olive St., St. Louis. Mo. Sold by all druggists.—Adv.

RELIEF FTND WORKEKS WILL BE ACTIVE

Campaign to Aid Sufferers in Europe and Near East Will Begin Tomorrow.

It is expected that the campaign for the Near East and Central Europe relief funds will be well under way tomorrow. As indicated, there will not be a house to house canvass in this campaign, although there will be organized workers who will call upon persons whom they believe will make contributions to the funds. In addition to this canvassing work, the committee very much hopes for liberal voluntary subscriptions. There have been quite a number of such subscriptions already, enough to indicate that there is a general understanding of the great need and a desire to co-operate in alleviating the conditions.

M. C. Hook, city chairman, has established headquarters at the R. T. Cassell automobile accessory store on the West side of the public square. The headquarters can be reached by Illinois phone 1754 and Bell 273. Some funds are coming in from county schools and Mr. Hook and Hugh P. Green, who is the county chairman, were able to report last night receipt from the schools as follows:

Jersey college school \$5.85; Arl cadia, \$15; Hurricane, Neck, \$1.20; Prairie Union, \$2; West Union, \$1; Patterson, \$14.70; Narrows, \$10; Duncan Spring, \$3; Hopewell, \$2.75; Appalonia, \$2.50; Sycamore, \$1; Waverly, \$2.98; Unique, \$2; Northville, \$4.46; Yatesville, \$1.92; Woodson, \$17.05; Bluffs, \$1.

From the Willing Workers and the Woman's Foreign Missionary society of Alexander and the Woman's club of that town, came a contribution of \$42.70. The Willing Workers of the Woodson Presbyterian church have given \$10. Miss Katie Hayes, the teacher of the Patterson school, accompanied the contribution of \$14.70 sent to E. E. Crabtree as treasurer with a letter stating that the money was raised from the sale of quilts which had previously been made for the purpose of aiding the cause.

Mr. Hook was notified by Arthur Swain that he would make contribution of 40 bushels of corn. Other farm owners have made like offers and it is expected that these gifts of corn will easily make up a carload.

Some pictures showing conditions in Europe and the Near East have been shown at Scott's, Luttrell's the Grand and the Rialto, and others are to be shown, the managers expressing their entire willingness to co-operate in this good work.

Hugh Green was in Woodson Saturday night and met with a committee representing the Red Cross, Rev. I. H. Fuller, Rev. A. E. Powell and Dr. R. R. Jones. This committee reported that the Red Cross there had already decided upon a donation of \$100 toward the fund. Contributions from the Christian church there total \$25 and other subscriptions are to be made. The cause will probably be presented both at the Presbyterian and the Christian churches at Woodson today.

Mr. Green will visit as many places in the county as possible but road conditions will prevent any thorough canvass. There is special reason, therefore, why volunteer subscriptions are sought and Mr. Green is hopeful that many persons throughout the county will mail their checks direct to E. E. Crabtree, the treasurer of the fund.

PRINCETON UNIVERSITY RAISES TUITION

Princeton, N. J., Jan. 29.—Princeton University will be forced to raise its tuition from \$250 to \$300 a year in September, President John G. Hibben announced today. A survey has shown that it now costs Princeton \$500 annually to educate each student.

SOLDIERS SURPRISE AMBUSHING PARTY

Dublin, Jan. 29.—Surprising an ambushing party at Coachford, county Cork, yesterday, soldiers killed one civilian and captured ten members of the party, five of them wounded. Arms, ammunition and other equipment were abandoned. There were no casualties among the soldiers.

GIRL CHARGED WITH KILLING MOTHER

Oak Creek, Colo., Jan. 29.—Fifteen-year old Annie Mudra, under-sized and unkempt was a solid witness at the trial inquest which recommended tonight that she be held on a charge of aving slain her mother, Mrs. Frank Mudra.

To mother is said to have opposed the girl's marriage to a neighboring rancher.

HOW'S The Coal Lasting

The American Legion News Notes

The American Legion, which was quick to offer its aid and help, is now establishing employment agencies and aiding ex-service men during the present low tide of industry. A national survey of unemployment is being made by the American Legion Weekly and all posts have been encouraged to establish employment agencies by F. W. Galbraith, Jr., national commander.

Massachusetts Legionnaires have obtained employment for twenty percent of applicants at their offices. Employment officers of Minnesota posts are discouraging to the cities and interchanging information in regard to prospects for employment in their communities. Spokane ex-servicemen and their families who are out of work are being supplied with food and other necessities by Legion members.

More than two hundred answers to the memorial calling attention to the situation which surrounds the rehabilitation of disabled veterans of the world war, presented to the president, president-elect, Congress by the American Legion, have been received at National Headquarters by F. W. Galbraith, Jr., National Commander. In almost every instance, the senators and representatives wrote that they would support the Legion's program for reform of the rehabilitation system.

Paris, France Post of the American Legion has started a campaign to hold the 1922 Legion convention in Gay Paree.

National Headquarters of the American Legion has distributed five thousand copies of a manual which members of the Legion's national speakers' bureau will use during the approaching membership campaign. The manual, which was prepared by the American Legion News Service, gives a brief history of the organization, outlines the definite accomplishments for the benefit of ex-service men and the country and sets forth the plans of the Legion for the future.

The state legislature of Oregon has sent a memorial to Congress asking immediate passage of the American Legion's four-fold adjusted compensation bill. The action of the Oregon legislators was

OPERATORS WORRIED ABOUT CALDER BILL

Vice President of Peabody Coal Company Says Industry Cannot Live Under Bill—Says Coal \$1.25 Per Ton in Chicago.

(By The Associated Press) WASHINGTON, Jan. 29.—Under the terms of the Calder bill "the coal industry cannot live," George W. Reid, vice-president of the Peabody Coal company of Chicago testified today before the senate committee considering the measure for federal regulations of the industry. Mr. Reid added that the period of necessity for regulation in the interest of consumers had passed and that steam coal "is selling for \$1.25 a ton in every jobber yard in Chicago."

"What are we going to do then, when we are told today that coal is selling for \$14 and \$15 a ton in Nebraska and South Dakota?" Chairman LaFollette asked.

Mr. Reid replied that he "would not argue he down here opposing legislation if in a year under normal conditions, a shortage develops."

It was found impossible to conclude hearings today as had been planned, and they will be continued next week.

OPERATION WILL BE CUT BILLION DOLLARS

Prediction Made by Fess of Ohio—Says Harding of McKinley Type of Leadership.

CANTON, O., Jan. 29.—That a cut of a billion dollars in the cost of government will be effected by this Congress was the assertion tonight of Congressman Simon D. Fess of Ohio, at the annual banquet of the McKinley club.

Congressman Fess also declared that taxation is the most important problem needing immediate attention by Congress. He lauded the martyred president and President-elect Harding saying:

"In my judgment no one calls so loudly for McKinley's type of leadership as this day of readjustment. It is but declaring a generally accepted truism to say that not least in the phenomenal vote of confidence recently given, was the general understanding that the McKinley type of leadership is fully recognized in Warren G. Harding."

ALAFEDA TO BE SITE OF NEW NAVAL BASE

WASHINGTON, Jan. 29.—An agreement definitely recommending Alameda, Calif., as a site for new Pacific naval base and for location of other subsidiary west coast naval bases was recommended today by a sub-committee of the joint congressional committee considering Pacific bases. The sub-committee also confirmed previous recommendations for the location of an aviation base at Sand Point, Wash., a submarine base at San Pedro, Calif., and destroyer and aviation bases at San Diego, Calif.

The full committee is expected to adopt the sub-committee's report next Monday.

unanimous. It is believed to be the fore-runner of numerous similar moves on the part of state legislatures in a effort to obtain the passage of the bill.

The present system of immigration, was condemned by members of the Braxton County Post of the American Legion at Sutton, Va., in a vote following a discussion of the problem. Forty-nine percent of the vote was for stopping immigration entirely; eleven percent for forbidding it for two or three years, and forty percent for establishing an effective system of regulation. There were no votes in support of the prevailing system.

In recognition of the American Legion's efforts in behalf of disabled veterans, the sick and wounded ex-soldiers of Detroit have organized a legion post with a membership of more than two hundred.

Members of a commercial club in Worland, Wyo., showed their appreciation of the American Legion by extending free active membership to the members of Floyd Minch Post of their town.

Following an appeal by the New York department to eight thousand ministers of all religious denominations of the state, more than five hundred cities and towns participated in "American Legion Sunday," January 16. Posts attended the service in a body.

Minnesota Legion posts will assist ex-service men of their state to obtain their quota of the 4,800 lost Liberty bonds and 6,600 unclaimed discharge certificates filed away in Washington, D. C. Alphabetical lists of owners have been "issued" to each post by Legion state headquarters.

F. W. Galbraith, Jr., National Commander of the American Legion, will visit several Connecticut cities January 13 and February 1. He will deliver a number of addresses in explanation of the situation in regard to rehabilitation of ex-service men. Accompanying the national commander on the tour, will be John F. Pickens, department commander; Thomas J. Bannigan, state adjutant, and Justus J. Fennell, Connecticut member of the national executive committee.

JOHN K. LONG'S LIFE COMES TO IT'S CLOSE

Well Known Citizen Answered Final Summons at Early Hour Sunday Morning.

John K. Long died at 1 o'clock this (Sunday) morning, following an extended period of illness. Mr. Long came to this city many years ago from Macomb and ever since that time has been identified with the printing industry. For a period of years the deceased was associated with the Jacksonville Courier Co. Later he was proprietor of a printing establishment in the opera house and more recently his place of business was located on West Morgan street.

Some months ago ill health resulted in the sale of the business and for a considerable time before his death Mr. Long was an invalid. The deceased was a member of the First Baptist church and ranked as one of the most prominent Odd Fellows of Jacksonville. He also held membership in other orders and was rightly accounted as one of the best known of Jacksonville citizens. A man of more than usual business ability, of unwavering integrity, he came rightfully to hold the good opinion of all.

Mr. Long is survived by his wife and one daughter, Mrs. Haze Bell Norton. A further notice will be given when arrangements for the funeral have been made.

AMERICAN WOMAN IS KIDNAPPED IN IRELAND

Was Held for Four Days by Masked Men—Went to Ireland to Claim Estate of Brother.

DUBLIN, Jan. 29.—An American woman, Miss Ellen J. Reidy, who was kidnaped four days ago near Fermoy by a band of masked men, has been released after a painful experience as a prisoner, according to a message from Fermoy. She arrived from America recently to claim her brother's estate.

Miss Reidy asserted she was kept blindfolded and with her hands bound for three days in a bedless room and that she suffered greatly from shock. She claims her life was threatened if she went to the courts but upon replying to this that she was under American protection she finally was released.

FIX DATES FOR ANNUAL TRACK MEET

Los Angeles, Cal., Jan. 29.—The dates of the National Athletic Union track and field championship meet for 1921, to be held in Pasadena, Cal., have been fixed tentatively for July 1, 2 and 4 it was announced tonight.

WELL KNOWN ATTORNEY DEAD

New York, Jan. 29.—William Benton Crisp known patent lawyer is dead at his home here at the age of 61. His most famous case was that of Henry Ford against the Selden Automobile interests. Selden's claim that he had invented the automobile engine was contested by Ford and Mr. Crisp won the case.

PITTSFIELD WINS

EXCITING GAME

Pike County Five Defeated Jacksonville by Score of 30 to 27—Game Was Filled With Thrills.

Coming from behind Pittsfield High defeated Jacksonville High in David Prince gymnasium Saturday night by a score of 30 to 27. It was a heartbreaking game for the locals to lose as they led until the last few minutes of play.

It was a game filled with thrills and kept the large crowd cheering almost constantly as first one team and then the other counted. It was surely no place for a man with a weak heart.

The game started off with a rush and the speed was kept up throughout. Jacksonville at the start jumped into the lead and when the quarter ended they had a 12 to 5 count on Pittsfield. The locals made a number of long shots while Pittsfield seemed to be unable to get the range. The score at the end of the half was 17 to 15 in favor of the locals.

In the second half Pittsfield kept the lead and toward the close of the game and the Jacksonville fought hard they were unable to put over the necessary counters.

Pittsfield was handicapped by the absence of Niccum, center, who was ill. Walsh took his place and did good work though the game ended.

However, Jacksonville also suffered from a similar handicap by the absence of Gard who is suffering from a cold and was kept off the wide lines by Coach Mitchell.

For Jacksonville Woods, Alexander and Hunter were the chief point makers the every man tossed a basket. The work of Woods and Hunter was especially good on the offense while Cockin and Mawson's fine guarding kept Pittsfield from scoring many points.

For Pittsfield all of the points were made by Plattner and Walsh. These two players did excellent work for Pittsfield and it was their brilliant tossing toward the close of the game that gave the visitors the victory.

We said in Saturday's paper that Pittsfield was considered a strong contender for the district tournament here. However, it will be the last time local fans will see Pittsfield this year as they have been placed in the Quincy district and will play at Quincy. Our statement still goes, tho as they should be the class of the new district.

MICHIGAN WINS FROM CHICAGO

CHICAGO, Jan. 29.—Michigan defeated Chicago tonight in a western conference basketball game 16 to 14.

Chicago playing without Vollmer displayed little energy and Michigan, despite its rather weak play was easily superior. In first five minutes of the game Rea, Michigan guard, made two sensational baskets from the center of the court. Fouls were frequent the players spending much time in wrestling over the ball.

The defeat virtually put Chicago out of the conference race, Minnesota wins from Wisconsin.

MINNEAPOLIS, Minn., Jan. 29.—Minnesota defeated Wisconsin 22 to 21 in a western conference basketball game here tonight, Wisconsin leading at the end of the first half 9 to 8.

LOMBARD WINS.

Galesburg, Ill., Jan. 29.—Lombard defeated Northwestern College in basketball tonight 26 to 19.

GEORGE CHIP HANDS DUFFY KNOCKOUT

New York, Jan. 29.—George Chip, former middleweight champion, knocked out Jack Duffy, of Chicago, in the tenth round of a fifteen round match here tonight.

MISSOURI UNIVERSITY DEFEATS KANSAS

Columbia, Mo., Jan. 29.—Missouri University basketball team defeated Kansas University here 28 to 21.

HOWARD'S HOCKEY TEAM VICTORIOUS

Boston, Jan. 29.—Harvard's hockey team, overwhelmed Princeton here tonight by a score of 7 to 0.

CHAMPAIGN DEFEATED.

Champaign, Ill., Jan. 29.—Lexington High, 29; Champaign, 24.

COLORADO GIVES NOTICE OF REDUCTION

Denver, Colo., Jan. 29.—Fifty firms in Colorado today notified the state industrial commission of reduction of wages of from ten to twenty percent effective March 1. This is in compliance with a state law requiring 30 days notice of wage reductions or intention to call a strike.

MURRAYVILLE TEAM DEFEATS WHITE HALL

Basketball Game at White Hall Saturday Night Results in Victory for White Hall.

Murrayville, Jan. 29.—At least seventy-five persons took the 4:30 train to White Hall Saturday afternoon to witness the basketball game between the local team and the White Hall boys. The game was an exciting one from start to finish, both teams putting up a stiff fight. However, the Murrayville players were able to make 28 points against White Hall's 18. The line-up and scores of the two teams appear below:

CHAPIN WOMAN'S CLUB IS ENTERTAINED

Recent Meeting Held at Home of Mrs. Harry Onken—John Onken Returns From Peoria Visit—Other Interesting News From Chapin and Vicinity.

Chapin, Jan. 28.—The Chapin Woman's club was delightfully entertained at the home of Mrs. Harry Onken on Tuesday afternoon, January 25, with ten members and six guests present. The roll call was responded to with items from the press. Followed by the reading of the minutes. The business session was then given attention.

Mrs. Harry Onken read a very interesting and instructive paper on, "William Caxton and Art of Printing."

The ladies were then favored with two vocal selections by Mr. Harry Onken. The social hour followed which was much enjoyed. The hostess served delicious refreshments. The next meeting will be held February 8, with Mrs. Fred Craven.

Frank Blair returned home the first of the week after a two weeks visit with his daughter, Mrs. Harold Woodward in Chicago.

Mr. Ed. Joy returned home Sunday after a few days visit with her daughter, who is attending the Monticello Academy at Godfrey, Ill.

Johanna Onken went to Versailles Monday to take care of her sister who has the mumps.

Gustaf Onken returned home Sunday from Peoria after a business trip.

Leonard Branson stopped off in Chapin Sunday on his way to the Bluffs.

Dr. Gregory and family left Sunday morning for Sedalia, Missouri where he has located.

Earl White's little daughter who has been very sick, is improving at this writing.

Mrs. J. B. Craven was called to Beardstown Saturday on account of the illness of her grandson.

William Searle Craven, son of Mr. and Mrs. C. R. Craven of Beardstown, passed away Sunday at 4:30 p. m.; funeral services were held Monday afternoon at 4 p. m.

Mr. and Mrs. Fred Craven, Mrs. Winfield Brownlow attended the funeral of William Searle Craven in Beardstown Monday.

Mrs. Stanley Post of Jacksonville spent Sunday with her parents, Mr. and Mrs. Chas. Thomason.

Norma Abram spent the week end with home folks in Naples.

Mrs. Henderson of near Litterberry, came thru Chapin Tuesday on her way to Merritt visit with Mrs. Farney.

Mrs. Turner of St. Louis, visited with her sister, Mrs. Stewart over Sunday.

Ruth Burrus of Jacksonville, visited Tuesday with her mother, Mrs. Howard Tucker.

CREATE THREE NEW BASKETBALL DISTRICTS

Alton, Benton and Quincy Are Added to List—Makes a Total of Seventeen Districts.

Bloomington, Ill., Jan. 29.—William C. Robb, vice-president of the State High School Basketball association today announced that he had added three new centers for the district high school tournaments which are to be decided March 10, 11 and 12. The new centers are made necessary by the increasing popularity of basketball.

The new centers are Alton, Benton and Quincy, Ill. A change has been made in the Southern Illinois tournament this going to Marion, instead of Herrin, where it was held a year ago.

The other fourteen centers are Aurora, Bloomington, Canton, Centralia, Decatur, Elgin, Galesburg, Jacksonville, Joliet, LaSalle, Lawrenceville, Peoria, Rockford, Shelbyville and Urbana.

The state tournament will be held two weeks after the sectional tournament at the University of Illinois, Mr. Robb announced.

PLEASANT COMPANY AT WINCHESTER HOME

Mrs. Mason Rowe Entertains in Honor of Miss Kathleen Lucy—County Court Adjourns—Other Winchester Items.

Winchester, Jan. 29.—Mrs. Mason Rowe entertained a company of 12 young ladies at her home Saturday. A delicious luncheon was served at one o'clock. Miss Kathleen Lucy was the guest of honor on this occasion, which was a most pleasant one for all those present.

Miss Olive Wells will leave today for Springfield to attend a conference of county superintendents of schools.

The county court adjourned Friday after several days' session. The case of the people vs. Alsey Smith, charged with wife abandonment was concluded. The jury returned a verdict finding the defendant not guilty; judgment on the verdict and defendant discharged and bondsmen released.

Miss Lizzie North has returned from a pleasant visit in St. Louis at the home of Mr. and Mrs. Gilbert Bishop.

Miss Ruth Priest entertained the young ladies of her Sunday school class at her home Saturday afternoon from 3 to 5 o'clock. The hours were very pleasantly spent socially and the hostess served delicious refreshments.

TENNIS TOURNAMENT TO BE HELD IN ST. LOUIS

Kansas City, Mo., Jan. 29.—St. Louis was awarded the 1921 singles and sectional doubles tournaments of the Missouri Valley Tennis association at the annual meeting of the association today. The dates for holding the tournaments were left to St. Louis district officials who said that they probably will be held the week after or before the national clay tournaments at Chicago.

At the meeting today Jack Cannon, Kansas City, was elected first vice-president.

GERMAN PAPERS SAY PARIS REPARATIONS CANNOT BE ACCEPTED

Would Tell Allies to Come and Take Their Booty

BERLIN, Jan. 29.—"Reparations the Paris reparations are absolutely impossible of acceptance," declares the Lokal Anzeiger. The Berliner Tageblatt declares it is not surprised at Lloyd George's "yielding to the French extortionists," but that it finds itself compelled to ask why this "ever vacillating parliamentary statesman ever got the reputation of being a strong leader."

"All Germany can do, is with a shrug of her shoulders, refuse to pay such or similar sums and leave it to the allies to come themselves and take their booty when they want it," continues the newspaper.

The Vossische Zeitung says the proposal of forty-two yearly installments constitute an effective means for placing Germany's financial and economic and financial life for 42 years in England's hands.

PIANOS and PLAYERS

Herbert Hoover in a recent address said, "This country is deep in the greatest economic problem it has ever faced."

"No government body, no political organization will show us the right road out."

"This must and will be done by our clear headed American business men."

Business is good if we keep the wheels turning. Don't stop! Keep going and avoid stagnation. Don't deprive yourself of the things you really need, but in buying be sure that you get the best, and if possible get it from the firm or individual who themselves show convincing evidence that they are trying to travel the right road.

During this period of readjustment we intend this store shall meet its responsibility in such a manner that the buying public will realize that we at all times desire to trade square.

bers will boost his candidacy to the utmost.

Among other things the Post donated \$10 to the Near East Relief fund. A membership has been inaugurated to continue until February 12. A banquet will be held on the evening of that date.

ENGAGE IN BIG LUMBER UNDERTAKING

Former Jacksonville Men Working for R. S. Crum Company Near Ashburn, Mo.

A number of former Jacksonville men are now employed by the Crum Hardwood Lumber Co., located at Crum City, Mo. This is a new town on the Mississippi river, 23 miles south of Hannibal, and was named in honor of R. G. Crum of Virginia, who is president and manager of the company. C. R. Settles, who was formerly in charge of a state saw mill, is now the superintendent of the Crum Co.'s big mill. It has a capacity of 20,000 feet daily and is equipped with every modern improvement. This makes it possible to hold labor costs to a satisfactory minimum.

At Crum City there is a general office building for the company, a hotel, various cottages, together with sleeping quarters for employees. The ultimate purpose of the company is to clear a timber tract of 1,000 acres of fine bottom land. It is estimated that there are between 4,000,000 and 5,000,000 feet of lumber in the tract, not including mine props, railroad ties and cordwood, which will be taken out.

The government has been using two large dredges on the levees near the track and this work is now nearly completed. The base and laterals have two huge centrifugal pumps which are to be used during any high water period in pumping the water from the main dredge ditch into the Mississippi. Everything indicates that this will become a valuable tract of farm land. The facts with reference to this project were sent to the Journal by George D. Schultz, of Ashburn, Mo.

THE WAY HOME

(Mrs. Ida Scott Taylor McKinney) Written for the reunion of Jacksonville and Morgan county friends. Los Angeles, Jan. 17, 1921.

North or South, or East or West,
Which way home do you like the best?

Will it be by the road that leads to town

Where the lucid creek goes winding down.

Across the bridge by old Mapes Mill

And over the slope of Lambert's hill,—

Where we used to hear the wood-birds sing

And gathered the first wild flowers of spring

When our hearts were young and

And the world was gay,

Will you go back by the old North Way?

North or South, or East or West,
Which way home do you like the best?

Will it be by the east, o'er the sunrise ridge

Near the picnic-ground of the old Rock Bridge,

Where our glad feet climbed on a summer's day

O'er the broad stone steps where we used to play—

Where the shadows fell in the depths below,

And the bluest blue-bells used to grow?

O, we sense the landmarks as we roam

From the sunlit East as we journey home!

North or South, or East or West,
Which way home do you like the best?

Would you rather go by the South tonight,

With the reservoir and the lake in sight,

Near the pumping plant that stood apart

Where we heard the beat of its great, big heart,—

Will you walk with me, tho the way seem far,

Through the woodland path thru the Mauvalsterre?

North or South, or East or West,
Which way home do you like the best?

Over the western slope, where lies

The fiery glow of the sunset skies,

Over the hills that we used to know

And loves so well in the long ago,

Would you go back home if you could, today,

O'er the Old Mound Road, in the good old way?

North or South, or East or West,
Always home I like the best:

It matters not the how or when

Just so I travel back again:

Or be it East, or be it West,

Or North or South—each way is best

That leads to home, the good old way,

To greet the friends of yesterday.

STEAM FIRE ENGINE IS GOOD AS NEW
William Catherwood has completed the placing of new flues in the steam fire engine. The job was a difficult one. The flues came put together but after placing them in the engine it was found necessary to take them out and take them apart. The work finally was completed and a test was made the past week. The engine is now as good as new and will be a valuable addition to the fire fighting apparatus of the city.

HEALTH OFFICER PLAN FAVORED BY COMMITTEE
NOTED TYPHUS EXPERT TO DIRECT AMERICAN MEDICAL UNIT ABROAD

Conference Saturday Revealed Strong Sentiment for Proposed County Health Betterment Project.

The question of an all-time health officer was discussed with thoroughness Saturday at a meeting of the citizens' committee, with the county commissioners held at the court house beginning at 12:30 noon. The interest in the question was such that the discussion continued for two hours. There was a unanimity of opinion after thoro discussion that this plan for handling public health affairs should be tried out in Morgan county.

Those attending the conference were Commissioners G. A. Wheeler, Frank Mawson, J. E. Osborne, County Clerk G. L. Riggs and the following citizens: Warren Luttrell, Franklin, George Deitrick, Concord, William Crum, Litchberry, Charles A. Rousey, Murrayville, Dr. Ogram, Jacksonville; Wilson Smith, Waverly; E. E. Hart, Sinclair; J. T. Self, Woodson; E. E. Crabtree, L. O. Berryman, Dr. H. C. Wolman, Rev. W. E. Spoons, Edward Brennan T. A. Chapin and Charles T. Mackness.

In order to take some more definite action in the whole matter it was decided to appoint a committee of three to work with the county commissioners and determine a plan of action and investigate with reference to the securing of an official suited to the work. This committee of five was named and includes E. E. Crabtree, William Crum, George Deitrick, W. N. Luttrell and Frank Flynn. A joint meeting of the committee and the board for further consideration of this subject will be held at an early date. Of course one of the large problems for consideration is the cost of an official and the maintaining of a department of which he shall be the head. It is estimated that the operation of the department the first year will cost \$10,000.

It is not believed that this expenditure thru the system proposed will result in certain definite saving which can be counted as credits against the general expenditure. Then, it is of course, the expectation that the services of a health officer will result in the prevention of many cases of sickness and so result in an indirect saving to the county. As it is now the board is finding that matters relating to public health and sanitation are constantly arising in different parts of the county and there is a question as to the proper way for handling these questions with no centralized authority relating to health affairs.

The matter of a county health officer has been under informal consideration here for some time past, so that local officials were especially interested in finding the message of Gov. Small to the Illinois general assembly gives approval to the all-county plan and strongly urges a health officer for each county. It is understood to be the intention of the governor to favor in the legislature a measure which will make obligatory the appointment of a health officer in each county.

At the meeting yesterday there was the freest and fullest discussion of the matter and a test vote taken showed everyone present to be heartily in favor of the proposed plan.

ANNUAL BANQUET

J. F. Claus will go to Chicago Monday night to attend the auto show, and to be present at the Oakland dealers' banquet to be held Tuesday noon at the Auditorium.

MAKE BAD ROADS A BENEFIT
Now is the time for somebody to get up a lot of enthusiasm about hard roads, or even temporary betterments. It is much easier to create enthusiasm when dirt roads are in the condition that they now present. The bad roads are interfering with business so why not take advantage of the situation and turn the well nigh impassable roads into an impetus for the much talked of good roads betterment?

D. O. K. K.
Regular meeting tomorrow night. Business of importance. Be present.

SEEKS TO SET ASIDE WILL.
In the office of Circuit Clerk Wm. Baker yesterday a bill was filed by George J. Blunt in which he seeks to set aside the will of the late Mrs. Mary J. Blunt. The bill was directed against Miss Olive M. Blunt et al. The complainant is represented by L. O. Smith. It is set out in the bill that Mrs. Blunt died Nov. 29, 1919 leaving the bulk of her property to the Home Missionary society and the Foreign Missionary society of the First Baptist church of this city and to Miss Olive M. Blunt. It is alleged that at the time the will was made that Mrs. Blunt was not capable of making disposition of her property. Judge M. T. Layman is the executor of the estate. The heirs are George J. Blunt, Miss Olive Blunt, Mrs. Sarah Mardock, El Blunt and Mrs. Julia Hopper.

IN CHICAGO FOR A FEW DAYS
Dr. F. A. Norris went to Chicago last night to spend several days.

Dr. Harry Plotz, ranked as the world's foremost typhus expert, thru his discovery of the typhus bacillus, has just sailed for Europe at the head of a medical unit of 20 experienced American specialists, which will fight epidemics and launch health programs in the stricken countries of Eastern and Central Europe under the auspices of the Jewish Joint distribution Committee, one of the eight leading American relief organizations joined in the great \$33,000,000 appeal of the European Relief Council, of which Franklin K. Lane, 42 Broadway, is treasurer.

Herbert Hoover is chairman of the Council and will direct the administration of its relief funds, \$10,000,000 of which will go for medical relief, the balance for food and clothing for the 3,000,000 starving children in Eastern and Central Europe. Dr. Plotz is a member of the commission of leading medical experts, which will supervise the medical relief work of the Council.

Doctors and hospitals in the stricken areas are helpless to combat diseases, because of their complete lack of the simplest medical supplies, according to Dr. Plotz, who asserts that the typhus epidemic will recur this winter in even more severe form than last year. The first undertaking of the American Jewish medical unit will be to furnish medical supplies to communities so that epidemics can be fought.

E. E. Crabtree is treasurer for the Famine Relief Fund in Jacksonville and Morgan County and all contributions for the Near East and Central European Relief should be sent to him.

BOX SOCIAL NETS \$125 FOR LUTHERAN CIRCLE

JAS. G. CAPPS WEDS MRS. STRICKLETT

Marriage Service Solemnized Saturday Night at Bride's Home on West State Street.

Saturday night at 8 o'clock at the residence of Mr. and Mrs. F. M. Shield, 901 West State street occurred the marriage of their daughter, Edith Mabel Stricklett to James Galahar Capps. The ceremony was performed by Dr. Thos. W. Smith pastor of the Westminster church of this city. Only the immediate members of both families were present, including Mr. and Mrs. William T. Capps, James G. Capps, Jr., of Toledo, Ohio, Mr. and Mrs. F. M. Shield, Mr. and Mrs. R. E. Phillips and Miss Helen Maddox.

The bride is a comparative stranger in Jacksonville, having moved here with her parents a few years ago from Springfield, Ill. She is a member of the First Christian church of Springfield, a graduate of Bettie Stuart Institute and a young woman of many charming traits of character.

Mr. Capps has spent all of his life in this city and for years has been identified with the management of the mills and clothing factory of J. Capps & Sons, Ltd. He has been an officer of the firm and has seen the business grow in a very gratifying way thru the years.

Mr. and Mrs. Capps for the present will reside at 901 West State street, and both have many friends who join in wishing them their full share of happiness and good fortune in the years to come.

HORSE AND MULE TRADE IS BETTER

Livestock Reporter Says Recent Movement Has Been the Largest in Many Months.

Local men who have made investments in mules are naturally feeling mighty good over the improved market conditions. The National Livestock Reporter in a recent issue told about improved conditions as follows:

In the point of receipts and volume of business transacted, horse and mule trade at St. Louis is rapidly approaching normal. The combined run in both departments this week amount to approximately 2,000 head, all of this comprising stock actually on sale out of first hands. A greater portion of this supply has been sold and a complete clearance is looked for by the close of the week.

"Five hundred head or one-fourth of the combined receipts were horses. Eastern material predominated and on this a lower undertone was evident. Weakness in the most marked form was manifest on the weigh material, or big horses weighing from 1,400 to 1,800 lbs. Values ranged largely from \$100 to \$200, tho were exceptions.

"A number of eastern buyers were on the yards, but they did not take hold of the larger horses so readily and supplies were moved only by extreme effort on the part of sellers, or those of Pennsylvania horses, or those weighing from 1,100 to 1,300 lbs., were not so difficult to move as the more weighty kind, and these held about steady.

"While southern horses continue to sell at a low price, market for these was about satisfactory since slump. There were quite a number of southern buyers on the yards and they took hold of a low-priced kinds in good fashion, in fact, some sellers expressed the opinion that more could have been disposed of had they been available.

Mules Rather Active.
"Notwithstanding the fact that supply of mules this week has been the largest in several months, the market has been fairly active, values steady, strong in all about 1,500 lbs. arrived for sale out of first hands and practically all will have found outlet by the close Friday.

"A greater portion of the receipts were sold thru a small mules appear to show most marked strength and other kinds were fully steady."

SALES LADIES WANTED
Experienced; apply by letter. Dry Goods and Ready-to-Wear. Address 42, Journal.

G. C. Miller and family of I. catu are making an extended visit at the home of Thomas B. Miller, north of the city. Mr. Miller motored thru and reports roads very muddy.

SUNDAY MORNING, JANUARY 30, 1921

JUDICIAL ELECTIONS WORRY POLITICIANS

Decision of Attorney General on Primary Law Has Them Up in the Air—Situation Viewed With Alarm.

(By The Associated Press.)
SPRINGFIELD, Ill., Jan. 29.—The will nominate the candidates for the 71 circuit court judges in Illinois next spring? With the approach of the April conventions when the county committees in the 162 counties of Illinois are supposed to select delegates to the judicial conventions in May for the purpose of naming party candidates for circuit judge, hostile factions in the Republican party are enmeshing themselves. The conflict has grown out of the supreme court's decision in the Fox case, nullifying the primary law of 1919.

on and where the "old" and "new" committees are not in harmony, politicians are wondering how things are going to turn out. The Republican state committees, old and new, overcame their difficulties last year by taking separate action on necessary matters, but politicians say that there are districts in the state where the question of naming candidates for circuit judge cannot be answered so easily.

If the 52nd general assembly can possibly help the situation by passing emergency legislation everybody agrees that it can be done only at break-neck speed. Some Republicans say they view the situation with alarm, claiming that uncertainties on the Republican side might endanger the party and help in the election of a Democratic judiciary in the elections, next July.

Twenty circuit judges will be elected in Cook county, the other 51 in the 17 circuits outside of Cook county.

Attorney General Brundage and his aides are standing their ground with claims that the old county committees elected in 1918 are the only lawful committees authorized to pick delegates for naming the candidates for circuit judge. The Thompson organization is sticking to its contention that the committees elected in 1920 have the right to function and can name delegates.

In districts where the Republican party has factional fights

RIFLE CLUB MEMBERS GET DECORATIONS
Chicago, Jan. 29.—Forty-nine decorations have been awarded to members of the University of Chicago Rifle club, seventeen of which are the insignia of expert rifleman. The club at present has an enrollment of 163, of which number approximately one third are ex-service men.

The club membership also includes thirty women, six of whom have been decorated by the government.

Membership is confined to those associated with the University, but during the war, assisted by the government, the restrictions were lifted, and it is estimated that more than 1,000 men who later went into the service received instruction on the club ranges. The club has a number of expert coaches, all of whom have been decorated for marksmanship, in addition to having received commissions in the great war.

The club's team, composed of the ten undergraduate members attaining the highest scores, is scheduled to meet Princeton soon and tentative arrangements to compete with Harvard have been made.

HISTORICAL PAINTINGS ARE SOLD AT AUCTION

(By The Associated Press.)
Chicago, Jan. 29.—Fifty-four historical paintings, many by famous artists, included in the noteworthy collection of the late Charles F. Gunther, the candy manufacturer, recently were listed for inventory and disposed of at public auction here.

The sale attracted the attention of art connoisseurs throughout the city and the paintings were disposed of at prices far below the value estimated by art critics.

HORSE TRAVELS IN PASSENGER COACH

Albert Lea, Minn., Jan. 29.—When Ormsby Sensation, a Holstein calf, recently sold for \$40,000 to Julius Schmidt of New York by an Ellendale man, left for his new home in the east, he traveled in a special coach. His "passenger" fare was \$1,500.

The sides of the coach were padded so the bull could not bump his valuable head and a man servant was his constant attendant.

Babies in Arms in Polish Bread Line

Children, too weak to walk, are carried in their mothers' arms to the American Jewish Relief clinics in Poland. The faces of mothers and children alike are lined deep with suffering, privation and disease brought on by five years of starvation.

This photograph, typical of 2,500,000 child victims of war and famine, slowly dying in Eastern and Central Europe, was taken at Lodz. Food is the only cure that most of them need.

Without it they must perish. America is the only land to which they can look for the faintest hope of life. No food can be had from their own countries sooner than the harvests of 1921. Starvation is daily taking toll by the hundreds. Every dollar to be given to the European Relief Council's \$33,000,000 fund, now being raised, must be given immediately. Starvation knows no delay.

Contributions should be made thru local committees or Franklin K. Lane, treasurer of the Council, 12 Broadway, New York City.

WAVERLY RESIDENT DIES IN ST. LOUIS

Death of Mrs. Leta H. Pershall Followed Surgical Operation at St. Louis Hospital—Other Waverly News Items.

Waverly, Ill., Jan. 30.—Mrs. Leta Horton Pershall died at 4 o'clock this morning, Friday, at a hospital in St. Louis, as the result of an operation she underwent about three weeks ago. She was about 30 years of age and the daughter of Mr. and Mrs. Henry Horton, of Waverly. She was married several years ago to E. E. Pershall of St. Louis, where she made her home. Besides her husband and one daughter, Dorothy, and a sister, Mrs. Roscoe Dunston, she remains will be brought to Waverly for burial.

Funeral services were held at 2 o'clock Friday afternoon in the First M. E. church in charge of Rev. F. E. Smith, for Mrs. Mary Deatherage, who died at 1:30 o'clock Wednesday afternoon at Springfield hospital. Mrs. Deatherage was 56 years of age and before her marriage was Miss Mary Bates. She leaves one son, Kenneth and one sister, Mrs. Fannie Kellinger of Waverly, two brothers, Jasper of Champaign, and George of Terre Haute, Ind.

Mrs. W. A. Barrow has returned from a visit of several weeks with friends in Texas.

Bert Pugh returned to Paris, Mo., after a visit with his mother, Mrs. Mary Pugh.

Mr. and Mrs. H. E. Funk are visiting relatives in Jacksonville.

Mrs. Orin McCormick spent a day in Jacksonville visiting her sister, Mrs. Myrtle Obermeyer.

Elias Stockdale, of Springfield, visited relatives here this week.

FARM WOMEN WORTH \$4,000 ANNUALLY

(By The Associated Press.)
Omaha, Neb., Jan. 29.—Farm women are worth \$4,000 a year, according to Miss Margaret Fedde, chairman of the home economics department of the University of Nebraska.

"She gets the meals three times a day and seven days a week," Miss Fedde told a meeting of the Nebraska farm bureau federation at Beatrice, "for which, if you hire the work done, you must pay \$10 a week. Washing and ironing would be \$2.50 a day for two or three days a week. There is an average of nineteen days a year sickness on each farm, and acting in the capacity of a nurse the farm wife should get \$25 a week. As an assistant in farm work she should be paid at least \$20 a month; for cleaning two days a week, \$5; sewing two days a week at \$3 a day and other details \$6 a week.

"Total this and it makes \$4,000 a year."

ASK INCREASE IN WATER SERVICE RATES

Chicago—By the A. P.—A proposal of the DuPage County Water Works to increase its rates for water service in Villa Park, and a petition of the Inter-State Water Co., for permission to increase rates for water service in Danville and Tilton will come up before the state public utility commission here tomorrow.

Application of the Aurora, Elgin & Chicago R. R. Co., to increase its rates for passenger service in Aurora, Elgin and other Illinois cities will be heard Friday, as will a proposal of the Western United Gas & Electric Co., to advance its rates for gas service in Aurora and 63 other municipalities thru the state.

Albert, Harry and William Ross were city guests from east of town Saturday.

Lloyd and Clyde Cox from the vicinity of Orleans were city business arrivals Saturday.

Mrs. G. W. Foster was among the city guests from Alexander yesterday.

Robinson Strawn of Alexander was a business arrival Saturday.

Miss Bess Stafford of New York City was a guest at the Dunlap House Saturday night.

RECOMMENDS PLAN TO PRESERVE FISH AND GAME

State Game Warden Would Condemn Swamp Ground for Resting Places for Fowl and Spawning Places for Fish—Sewage From Chicago Renders Much of River Useless.

(By The Associated Press.)
SPRINGFIELD, Ill., Jan. 30.—Recommendation that the state condemn swamp lands thruout Illinois for the establishment of rest grounds for waterfowl and shore birds and as spawning beds for fish is the salient feature of the annual report of Ralph Bradford, chief warden of the state fish and game division.

The warden declares these measures necessary if the fish and game supply of Illinois is to be maintained.

Appropriation of money to build pens at state institutions in which the inmates may breed and raise quail, prairie chickens, pheasants and partridges also is asked by Mr. Bradford.

The latter plan is the more feasible at this time, according to the game warden, for replenishing the fish and game of Illinois as, he said, establishment of a regular game farm at this time would not be advisable.

"Something should be done to better fishing conditions at once," writes Mr. Bradford. "The Illinois river has been a great producer of food fishes. Thousands of tons have been taken from that river, and supplied to the people of the state for food during the past decade.

Great Changes Take Place.

"Conditions in the river, however, in the past few years have undergone a great change and to the detriment of the fish supply. The pollution of the river by sewage from the city of Chicago has rendered all that part of the river north of Chillicothe practically useless as fishing grounds.

"Below that point, to where the river empties into the Mississippi, many large tracts of submerged or swamp lands adjacent to the river, in the past, the natural breeding and spawning beds of the river fish, have been reclaimed for farming purposes and drained of all the standing water and levees or dykes constructed.

"It is therefore absolutely necessary, if the fish supply is to be kept from further depreciation, that these spawning beds be acquired by the state.

"Fishing conditions from a sporting standpoint," concludes the report, "can be bettered by further additions to and improvement of the state fish hatchery, located at Spring Grove and by additional legislation for the protection of black bass."

Mr. Bradford recommends that a bag limit of 10 to 15 per day be put on black bass and the prohibition of the taking of black bass under ten inches in length.

During the past year the division confiscated and donated the state and charitable institutions in Illinois 74,817 pounds of fish, valued at ten cents a pound.

WESTERN BEAN BEETLE THREATENS NEW DANGER

As though the farmer didn't have enough to vex him already we feel compelled to call his attention to another possible trouble that may come. We can only hope that it may be averted.

Within the last few months another little known insect, and one commonly called a "lady" beetle, has gained a national reputation. It has done serious damage to garden beans in the west. Now it has been introduced into Alabama where it is changing its ordinary diet to some extent. In the south it is feeding upon cow peas and other closely related crops as well as upon garden beans.

The alarm it is creating is indicated by the fact that the Legislature of Alabama is being asked for \$250,000, and the United States Department of Agriculture for a like amount to take up extermination work.

There is danger of course, of its spreading into other states. The Colorado Agricultural Experiment Station has studied the insect and methods of control for some years. It will issue in a few weeks a bulletin on the subject.

C. I. P. S. CO. TO REPORT TO STATE COMMISSION

Carbondale, Ill.—Testimony concerning a report the Central Illinois Public Service Co., was to make in regard to cost of equipment, present wells and feasibility of drilling and equipping additional new wells, on its application to increase rates for water service in this city, will be heard by the state public utilities commission here tomorrow.

TAKING U. OF I. COURSE IN AGRICULTURE

REHABILITATION FUND FOR STATE PROPOSED

Establishment of Rehabilitation Hospital and Opportunity Shop for Industrial Training Recommended by Illinois Survey Officer.

(By The Associated Press.)
SPRINGFIELD, Jan. 29.—Establishment of a rehabilitation hospital and "opportunity shop" for industrial training is recommended for the training and care of the physically handicapped of Illinois in a report submitted to the state public welfare department today by William T. Cross, state survey officer. The survey was made for the purpose of carrying out the provisions of the Rehabilitation Act of the last general assembly. The report also recommends:

Establishment of a state rehabilitation fund to aid injured persons.

Amendment to the compensation act providing that prosthetic appliances of the best design shall be given when needed as a part of the medical treatment and that the maximum restoration of function of injured members of the body be required in every settlement between employer and employee.

No increase of insurance rates on account of employment of physically handicapped persons.

Provision of scholarships more freely to physically handicapped persons for study of rehabilitation.

Requirement that the state public utilities commission report all cases of injury known to it to the state rehabilitation service.

Mr. Cross suggests that the rehabilitation hospital recommended under construction by the state in Chicago.

The "opportunity shops" for industrial training and trade testing should be constituted in connection with the rehabilitation hospital and at other places thruout the state to be determined later, Mr. Cross said.

There also is recommendation for rehabilitation aids for visitation of disabled persons in the hospitals and elsewhere and for social service in the home. Industrial officers are needed for vocational guides and instructors in "opportunity shops" and for making surveys of industrial plants, the report states.

"It has been estimated for the country," Mr. Cross stated, "that the industrial injured alone is equal to the number of disabling injuries from constant active combat of an army of 1,500,000. For Illinois, it may be said that seriously handicapping disabilities occur as rapidly as one per hour."

He explained that the Illinois Rehabilitation act applies to every physically handicapped person 16 years of age or over in the state, providing the handicap is actual or potential incapacity for remunerative occupation.

"From investigation made at Springfield and Decatur, it is estimated that from 1.5 per cent of the population of the smaller cities have important physical disabilities," Mr. Cross continued. "his conclusion is borne out by the reports from smaller towns, Taylorville, Lanville and Henry, where the school canvass was limited to persons of school age. From the Chicago study, which was limited to certain working class sections, it is estimated that from 1.5 to 2 per cent of the population of the large cities have important physical disabilities."

LETTER LONG TIME ON WAY

Letter Mailed in 1902 Just Reaches Destination at Dedham, Mass.

Dedham, Mass., Jan. 29.—A letter that had been nineteen years on the way part of the time traveling thru the war capitals of Europe was delivered today to Mrs. Fred I. Pratt of this town. It looked like a futuristic conception of the international postal system gone mad with more than a score of foreign postmarks cutting curlicues with domestic marks.

London, Petrograd and Berlin and other far places were registered check by jowl with the little station of City Mills from which the letter was sent on Feb. 2, 1902.

Some of the dates indicated that the letter at times was within a day or two of overtaking Mrs. Pratt, at others it was years behind and oddly it found her today within a few miles of its starting place.

UNEMPLOYMENT IN ENGLAND INCREASES

Shows Increase of Sixty Thousand in Past Week—Mines in Wales Are Closing Down.

LONDON, Jan. 29.—The tide of unemployment still is flowing the names of those without work registered at the labor exchanges throughout the kingdom, which were close to a million on January 21, having increased by sixty thousand in the course of the week just passed.

These figures are exclusive of those who are working on short time and it is known that large numbers have registered at the exchanges. As many of the South Wales mines are closing down, owing to virtual cessation of coal exports to France and elsewhere the labor situation is bound to become worse.

After hearing proposals by mine owners and the men for future regulation of wages the miners federation conference sent proposals to the coal districts for local consideration.

The federation announces its intention to fight any arrangement for reduced wages on the ground of reduction of output, maintaining that the miners have no control over the circumstances arising out of the Spa agreements which resulted in France becoming flooded with coal while German industries are denuded and British export trade has stopped.

The federation will urge pooling of profits for stabilization of the industry.

S. S. BOARD IN ANNUAL MEETING IN CHICAGO

Chicago, Ill.—Bishop Thomas Nicholson, Chicago; Bishops Homer C. Stuntz, Omaha, and Bishop Frederick D. Leete, Indianapolis, will participate in the annual meeting of the Board of Sunday Schools of the Methodist Episcopal church here on February 2nd, 3rd and 4th.

The Reverends W. S. Boyard, D. D., corresponding secretary, C. Hanson, D. D., treasurer, Henry H. Meyer, D. D., editor of the Sunday school publications, and all superintendents of departments will give their annual reports.

There is a total enrollment of 4,469,124 pupils in the Methodist Episcopal Sunday schools in the world, with 293,479 teachers and officers, in 26,041 Sunday schools. There was an increase of almost 50,000 pupils this year and there were 224,374 conversions of pupils of the Sunday schools. In America the total enrollment of Sunday school students is 3,563,305, with 225,660 teachers and officers.

MURRAYVILLE LADIES AID TO GIVE PLAY

"An Old-Fashioned Mother" to Be Staged by M. E. Aid Society, Feb. 24—Other Murrayville Items of Interest.

Murrayville, Jan. 28.—The Ladies Aid society of the M. E. church will give a home talent play entitled "An Old Fashioned Mother," Thursday evening, Feb. 24, in Carlson's hall.

C. A. Rousey of Jacksonville, was a business visitor here this week.

Rev. J. E. Curry of Waverly, will preach in the Baptist church Sunday morning and evening.

Mr. and Mrs. Carl West of near Jacksonville, spent Wednesday with Mr. and Mrs. Harry Cade.

Robert Seymour of Franklin, visited several days this week at the home of C. A. Rousey.

Mrs. N. A. Blakeman and Mrs. C. F. Strang two of our older residents, who have been in poor health for some time, are not so well.

EX-SERVICE MAN BURIED WITH HONORS

Clinton, Iowa, Jan. 29.—Following the burial in Potter's Field yesterday of Ed Foley, the Olympia, Wash. man shot and killed by Gus Zarvas last Saturday, June Van Meter Post American Legion took measures today for disintering the body and burying it with military honors. Foley, it was discovered, was an ex-service man, having served in the world war.

MEREDOSIA W. F. M. S HAS BIRTHDAY SOCIAL

Mrs. George Unland Hostess to Members of Society Recently—Starks Family in Louisiana, Mo.—Other Mercedosia News.

Mercedosia, Ill., Jan. 28.—The January birthday social of the W. F. M. S. was held Wednesday afternoon at the home of Mrs. Geo. Unland. The hostesses on this occasion were: Mrs. Geo. Unland, Mrs. Minnie Lafever, Mrs. Ellen Hyde, Mrs. Hallie Naylor, Miss Esther Yeakel and Mrs. Jno. Moul- try. The afternoon was spent in various games, contests and music. Dainty refreshments were served during the afternoon and the guests departed wishing mission- ary social to come oftener.

C. P. Hedrick was a caller at the county seat Wednesday. Mrs. Frank Conkright is visit- ing her parents, Mr. and Mrs. Jess Dunham in New Salem. Dr. H. L. Lake was a business visitor in Quincy Monday.

Miss Bessie Harshman returned to her home in Hadley Wednesday after a three weeks visit with relatives here.

The Parent Teachers' Association were fortunate to secure H. H. Vasconcellos, county superin- tendent of schools, who met with them Tuesday evening and gave them a splendid talk.

Miss Edith Unland was a Mt. Sterling visitor Wednesday. Mrs. Lou Starks and son, Ben- nie, have gone to Louisiana Mo., and will remain there the rest of the winter, as Mr. Stark's has em- ployment there.

Miss Nellie Preble was a vis- itor in Jacksonville Tuesday. Madeline Schmidt, daughter of Mr. and Mrs. W. A. Schmidt, had the misfortune to be bitten on the arm Thursday by a bulldog be- longing to C. H. James.

Vincent Riley of Jacksonville, was among the visitors Monday. W. F. M. S. Date—Feb. 2, 1921, at 2:00 p. m.

Hostess—Mrs. Geo. Christianer. Devotional topic—The Mission- ary Parables of Jesus—Mrs. Chris- tianer.

Program leader—Mrs. Luther Rice. Every Man in his Own Tongue, Chapter III.

Topics—Earliest Translation. — Mrs. Reed. Place of the Bible Among Early Christians—Mrs. Geo. Unland.

The Bible in Early Missionary Enterprises—Mrs. H. Naylor. Bible Translation in the Modern Missionary Movement—Mrs. Chas. Schmidt.

Some Notable Translators.— Mrs. Jas. Galaway. Romances of Bible Translation —Mrs. H. H. Hamman.

Bible Triumphs of the Nine- teenth Century—Mrs. Luther Rice. Mystery Box, December—Led by Mrs. H. Lafever.

E. E. Crabtree is treasurer for the Famine Relief Fund in Jacksonville and Morgan County and all contributions for the Near East and Central European Relief should be sent to him.

PLEASANT GROVE

Mr. and Mrs. Frank Short and children were Sunday guests of Mr. and Mrs. Ernest Long.

Mr. and Mrs. Ernest Henry and daughter were visitors at Er- nest Million's Sunday afternoon.

Miss Eleanor Crouse spent Saturday night and Sunday with her uncle, Dean Crouse and fam- ily.

Ernest Million was a Jack- sonville visitor Wednesday. Mary Elizabeth Newman re- turned to school Thursday after an absence of several weeks on account of sickness.

Mrs. Ernest Henry and daugh- ter visited with Mrs. D. J. Crouse Thursday while her husband helped with the butchering.

Ernest Million delivered 9c head of fat hogs at Murrayville Monday.

Mrs. Adaline Henry spent Fri- day night and Saturday with her son Ernest and family.

Clarence and Merrill Crouse and Thomas Collier visited Sun- day with the former's father, Elisha Crouse at D. J. Crouse's.

YANKS and LEGIONAIRES

Interesting Jottings Concerning the Doings of the Feminine Sex the World Over.

Canada has had six war loan campaigns, totaling \$2,338,917,- 969.

The tiny nation of Luxem- bourg has an army of six officers and 175 men.

Up to the year 1748, officers of the British navy had no dis- tinctive uniform.

There are six million Ameri- can voters of German descent in the United States.

The population of France was reduced 4,000,000 as the result of the world war.

Wearing of the American flag by boxers appearing in bouts in Massachusetts is prohibited.

Military taxation of Switzer- land exceeds \$450 for every man, woman and child of that coun- try.

Only men of high standard are now accepted as new recruits for service in the United States Navy.

Eight Canadian memorial monuments are to be erected on the battlefields of Belgium and France.

The war of 1812, between the United States and England, was fought on the question of sea rights.

The French War Museum in Paris recently received a dona- tion of a complete set of Ameri- can war posters.

Approximately \$10,000,000 is spent annually by the U. S. Gov- ernment for bonuses to men who re-enlist in the navy.

It is estimated that 2,000,000 Germans desire to emigrate to the United States if passport re- strictions are removed.

General Pershing strongly op- posed the U. S. Senate action to reduce the strength of the regu- lar army below 200,000.

Belts very much like the fam- ilar "Sam Brown" type were worn in the Civil War by cavalry and infantry officers.

A series of tests of motorized equipment is being made at Fort Snelling by the United States ar- my. The tests will continue for several months.

For the tearing down of use- less fortifications. France is considering the possibility of putting to work at least 60 per cent of her 15,000 unemployed.

Forty-three thousand coffins recently arrived at Cherbourg, France, on the U. S. A. T. Whea- ton for the transportation home of American soldier dead.

Twenty-two thousand Ameri- can veterans of the world war are in more than a thousand hos- pitals and institutions scattered throughout the United States.

The League of Nations is now one year old. Its membership comprises 49 nations, represent- ing 1,250,000,000 people, three-fourths of the world's population.

The personnel of the United States army air service at the present time numbers 1171 of- ficers and 7846 enlisted men. There are 7096 civilians employ- ed by the air service.

In France, one man in every twenty-eight of her population lost his life in the war with Ger- many. Great Britain lost one in sixty-six and the United States one in 2,000.

During the world war, 30,000 men of Danish blood fought in the American armies in France, and about 20,000 Danes fought in the Australian, British, Cana- dian and French armies.

The United States is paying a share of \$80,000 a day for main- taining the American army on the Rhine. That amount propor- tionately far exceeds the cost of maintaining the French troops.

Seventeen thousand and twen- ty former United States soldiers, who have been convicted of mis- demeanors and military offenses during the late war, are confined in disciplinary barracks in this country.

Ohio led all other States last year with 58,160 war pensioners of the Federal Government draw- ing \$20,944,578. Pennsylvania came next with 55,924 pensioners and New York was third with 50,963.

Frank Masao Sasaki, twenty- five years old, a Japanese born in Honolulu, who served in the 16th Field Artillery of the army in the world war, was recently made an American citizen in San Francisco.

Compulsory training for a period of ten weeks in the first year of service on the young citi- zen soldiers, is the new reor- ganization army plan of Austr- alia. The peace program calls for a force of 130,000 men.

Sixteen hundred yellow tulips will be planted next spring in Schenley Park, Pittsburgh, Pa., in the form of two large gold stars, in memory of soldiers who fought and died in the world war from that city.

The first three German war criminals were recently tried and sentenced by the criminal cham- ber of the Imperial Court in Leipzig. The men were accused of having looted an inn at Edin- gen, Belgium, in October, 1918.

The accused were given two, four and five year terms in pri- sons.

Because the American Legion is neither a religious, education- al nor charitable institution, so- ciety or organization, war tax must be paid on all entertain- ment given by posts where ad- missions is charged, according to a recent ruling of the Depart- ment of Internal Revenue, even if the money is to be used for the benefit of disabled men, the erection of war memorials, and other fraternal purposes.

BLUFFS YOUNG WOMAN RETURNS FROM WEST

Miss Winifred Ashley Made Long Stay in Pasadena, Cal.—Mis- sionary Society Meets—Other Bluffs Items of Interest.

Bluffs, Jan. 28.—Miss Iota Ber- ner, who has been visiting her parents for several weeks, has re- turned to her duties in Quincy.

Miss May Hamey of Hannibal, Mo., is visiting her mother, Mrs. Ida Hamey.

Miss Winifred Ashley who has been visiting in Pasadena, Cal., since September, returned home Sunday. She was accompanied home by Miss Winifred Davis and her brother Eugene Davis. The former entered the high school here and will remain until spring while the latter is attending school in Jacksonville.

The Foreign and Home Mis- sionary society held a very interesting meeting at the home of Mrs. E. J. Rees Wednesday afternoon. The meeting was opened by a scripture reading by Mrs. S. M. Carver. Two very interesting leaflets were read by Mrs. C. J. Rees and Mrs. J. E. Likes. The former was on, "Chi- na," and conditions as existing in that country today. The latter was a very interesting little story, entitled, "You in Your Little Corner and I in Mine." A few lines from the song by that name were sweetly sung by Mrs. Corbridge.

This part of the program was especially pleasing. The meeting was dismissed at 4:30 o'clock and a social hour was spent at which time refreshments were served by the hostess, assisted by Mrs. Janie Woodson.

Dewey Pate, of Mercedosia, who made an attempt to assault Miss Meryl Kopp, teacher of the Burrus school Monday evening, while re- turning home from school, has been apprehended and is now safe in the county jail. The young lady, whose character is above re- proach, succeeded in fighting off her assailant and her outcry brought timely assistance.

This is Miss Kopp's second term at the Burrus and she walks to and from her school and this is the first insult that had been offered her.

Pate's preliminary hearing was set for Wednesday but he waived examination and was bound over to await the action of the grand jury under a \$5,000 bond. The man bears a bad reputation and while he acknowledged his guilt he did not sense the gravity of the offense. The limit should be given him as characters of this nature are menaces to a civilized community.

The measles epidemic has some- what subsided at the school, is almost in complete running order once more.

GIRLS WANTED for machine and hand sewing in our clothing depart- ment. Pleasant work; good wages while learning and opportunity for advance- ment.

J. CAPPS & SONS, Ltd.

BIG DROP IN SUGAR PRICE PREDICTED

Honolulu, T. H. — (Corres- pondence of The Associated Press.) Raw sugar prices during 1921 may drop to 3 1/2 cents a pound, according to Fred L. Waldron, prominent business- man of Honolulu, who has just returned from the mainland. Mr. Waldron said:

"While we can hope for 4 1/2 to 5 cent sugar during 1921, it will certainly be along the lines of ordinary wisdom to make plans against 3 1/2 and 4 cent results.

FOR LUMBAGO • Try Musterole. See How Quickly It Relieves

You just rub Musterole in briskly, and usually the pain is gone—a delicious, soothing comfort comes to take its place.

Musterole is a clean, white ointment, made with oil of mustard. Use it instead of mustard plaster. Will not blister.

Many doctors and nurses use Musterole and recommend it to their patients.

They will gladly tell you what relief it gives from sore throat, bronchitis, croup, stiff neck, asthma, neuralgia, congestion, pleurisy, rheumatism, lum- bago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest. Always dependable.

Musterole WILL NOT BLISTER

YATESVILLE

Misses Lucretia and Dorothy Stid returned home Sunday after spending a week with their cou- sin Miss Colleta Brown of Jack- sonville.

Ollie Moore and wife, Henry Isaacs and wife, and children, spent Wednesday evening at the home of Mr. and Mrs. John Creed. The evening was spent in playing rook.

Mrs. Ray Shortridge returned to her home Monday after a week's visit with her mother, Mrs. Elias Parrott of Jacksonville.

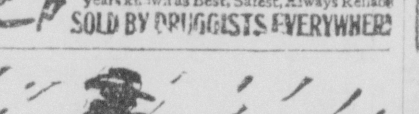

Mr. and Mrs. Charles Edwards and children, spent last Wednes- day at the home of Mr. and Mrs. Henry Vaney of Ashland.

Mrs. Henry Means has received word of the serious illness of her sister, Mrs. William Bocking, of Mississippi.

Miss Louise Henderson returned to her home Saturday from Spring- field after spending several days with her aunt, Mrs. Chris. Ahren- kiell and helping care for her Grandma Henderson who is real sick.

The successful Money Making Farmer--Has Cows, The Greatest Revenue Producers in the World

Every Drop an Asset

AS a dairy farmer you can figure out to the penny what your cream is worth. You know that every particle of butter fat has a distinct value to you. You cannot afford to use a separator that misses any cream.

The Primrose Cream Separator gets every drop of cream. The principle on which it operates is as simple as the mechanism. The frame is open and sanitary—the supply can large and low.

Every bearing and quiet gear is well oiled by a splash system.

In Primrose separators, good workmanship and materials, close skimming and durable qualities, are the distinguishing points.

No matter what the size of your herd, the Prim- rose is a money-maker. Two-or-three-cow farm- ers use them with profit.

The Primrose is the only cream separator that automatically drains out the used oil from the gear case when new oil is added.

Let us demonstrate this and other points. If it is not convenient for you to call, phone us and we will bring a machine out and show you how it oper- ates and what its financial advantages are to you.

Tire Prices

But that's not the point. In addition there are more cars running this winter than ever before, because there has been little or no snow. This means that there are more tires being worn out. The common saying is, I will make the old ones do. Do until the price comes down. This may and may not come.

What Does This Mean?

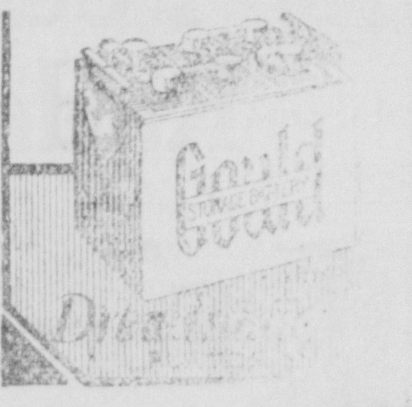

That instead of buying one tire now, you will have to buy three or four later. Buying what you need now, will distribute your expenditures, at different times over the year, and to most people is easier done.

Church Service Today

Trinity Episcopal church—J. F. Langton, rector. Prof. J. G. Ames, superintendent of Sunday school. Sexagesima Sunday. Early service at 7:30. Sunday school at 9:30. Morning prayer and sermon at 10:45. Evening prayer and sermon at 7:30. Tuesday, Woman's Guild all day meeting.

Salem Evangelical Lutheran church, East College street—Rev. J. G. Knapp, pastor. Sexagesima Sunday. School at 9:30 a. m. Public worship in German at 10:30 a. m. and in English at 7:30 p. m. The Ladies Aid will meet at the parsonage on Thursday. The L. W. C. will meet Thursday evening. A cordial welcome to all.

First Baptist church—A. A. Todd, pastor. Sunday school at 9:30 a. m. Superintendent, Dr. S. H. Kopperl. The pastor will speak Sunday morning at 10:45 on "The High Calling of Solomon" and at 7:30 p. m. on "Mercy and Pardon." Baptism at

close of service. B. Y. P. U. at 6:30 p. m. Topic: "Captain Bickel of the Island Sea." Mid-week service Wednesday at 7:30 p. m. led by the pastor. Services at Baptist Chapel: Sunday school at 2:30 p. m. Superintendent, C. O. Swift. Preaching Friday night at 7:30 by L. L. Abbott.

Centenary M. E. church—D. V. Gowdy, pastor. Sunday school at 9:30 a. m. A. C. Metcalf, superintendent. Morning worship and Communion at 10:45. Epworth league service at 6:30. Evening worship at 7:30. Sermon by Dr. E. L. Fletcher. Tuesday afternoon and evening we will have with us Dr. J. W. Van Cleave, Area secretary. Dr. Moore's assistant secretary, Hon. James Shaw, in the interest of evangelism. This service will begin at 2 o'clock and close at night with a stereopticon lecture, "What the Centenary is Doing."

State Street Presbyterian church—Rev. W. H. Marbach, minister. T. M. Tomlinson, Sunday school superintendent. Miss M. Dobyns, primary department. Mrs. W. Barr Brown, choir leader. If you have a special reason for not attending or joining church, come and tell us about it. The pastor will be glad to meet you any time. Plan to attend at least one service on Sunday. Bible study at 9:30, with classes for all. Morning worship at 10:45 o'clock and evening service at 7:30 o'clock, with special music by choir and preaching by the pastor. Two Christian Endeavor societies meet at 6:30 p. m. Welcome to any or all of these services.

Central Christian church—M. L. Pontius, minister. Bible school at 9:30 under direction of Ben Roodhouse, superintendent. Morning worship at 10:45. Evening service at 7:30. In the absence of the pastor, Dr. R. O. Post will occupy the pulpit. Music at both church services under the leadership of Miss Louise Miller. Christian Endeavor services at 6:30. Miss Fern Haigh will lead the Seniors. Russell Hall the Intermediates and Isola Green the Juniors. Members, strangers and friends not worshipping elsewhere are most cordially invited to the services of this church.

Northminster Presbyterian church—Walter E. Spoons, minister. Preaching at 10:45 a. m. and 7:30 p. m. by the pastor. The morning hour will be given to the Communion service. The evening sermon will be on the subject, "A Question That Startles Every Man in Jacksonville." A special invitation to all men. Sunday school at 9:30 a. m. William Bieber, superintendent. Christian Endeavor will meet at 6:30 p. m. Both young and old are invited to this meeting. The Ladies Aid society will meet on Thursday afternoon at 2:30. All the ladies of the church are urged to be present. Officers will be elected at this meeting. Team No. 3 will serve the luncheon next Wednesday evening. Prayer meeting will follow the luncheon. Join Sunday school and add ten miles to some class.

The Salvation Army—Sunday, Jan. 30, 1921. Jail services at county jail at 10 a. m. Holiness meeting at hall at 11 a. m. Company meeting or Sabbath school at 2:30 p. m. Immediately after the Sabbath school an old-fashioned Methodist class meeting or love feast. All are requested to attend this meeting and especially Christians regardless of church creed or denomination. If you believe in the old-time religion in the old-time way do not fail to attend this meeting. Young People's League at 6:15 p. m. Regular Salvation meeting at 7:30 p. m. All are invited to attend all these meetings and participate. Special meetings every night next week. Captain and Mrs. J. H. Wicks, officers in charge.

The Congregational church of Jacksonville—Rev. W. Ernest Collins, minister. A very profitable hour may be spent in the study of religion in the church school at 9:30. Dr. E. O. Post leads a large Bible class for adults. At 10:45 morning worship when the minister of the church will preach on the subject, "A Prophet's Pessimism and Heavenly Faith." Music by the largest chorus choir in town conducted by Mrs. A. R. Gregory Jr. Christian Endeavor at 6:30. The third meeting of the Community Forum will be held at 7:30. A meeting conducted in the interests of the larger implications of the Christian religion. The speaker, President James Alexander Jenkins of Union Theological college, Chicago. His subject for the forum, "The Puritan Conscience in American Fiction." The Congregational church makes good friends.

Brooklyn M. E. church—G. W. Randle, pastor; J. H. Reid, Sunday school superintendent. Public worship at 9:30 a. m. and 7:30 p. m. Morning theme: "The Power of Personality." In the evening the pastor will deliver a lecture on "War, Torn Europe and Its Reconstruction." This lecture will be illustrated with 70 fine, colored views of European scenes and battle fields. Epworth league at 6:30 p. m. Subject: "The Hand Clasp of Neighbors." Leader, Victor Sheppard. This meeting will be featured with a debate on the subject: "Is the Monroe Doctrine Obsolete?" Affirmative, Victor Sheppard and Kathryn Randle; negative, Frank Bourn and Olive Randle. Junior league at 6:30. On Wednesday evening the second Stewardship Excursion will be held at the church at 7:30. There will be devotion, amusement and a treat. Everybody is welcome.

Grace Methodist Episcopal church—Thomas H. Tull, pastor. Sunday school at 9:30 a. m. T. V. Hopper, superintendent. Come early and hear the splendid orchestra numbers. We believe each member of the church should also be a member of the Sunday school. It can be done. Will you help? We expect it. Morning worship at 10:45. Theme of sermon, "Worthy of the Gospel." Epworth league meeting at 6:30 p. m. Mrs. Charles Hopper leads the meeting with the topic, "The Hand Clasp of Neighbors." Evening worship at 7:30. Theme of sermon, "Sabbath Desecration." Prof. Harry Ward Pearson of Illinois Women's college is giving great satisfaction to every one by the splendid work of the

chor from Sunday to Sunday. If you hear these musicians at either service you will want to come again. You are urgently requested to remember the meeting at Centenary church next Tuesday afternoon and evening in the interest of Methodist's great evangelistic campaign. Plan to attend.

Westminster church—Sunday school at 9:30 a. m. Superintendent, William Brady. Students' class led by Miss Margaret Moore. Morning worship at 10:45. Dr. Smith will preach upon "The Prize Boy." The Boy Scouts will be present in a body. The Junior Congregation will sing. Evening worship at 7:30. The subject of the sermon will be "Modern Idols and How to Get Free." Mrs. Helen Brown Read will sing both morning and evening. Intermediate Christian Endeavor at 6:30. Topic: "The Victorious Life." Gales, 11-17. Leader, Henry Irving Young. People's society at 6:30 p. m. Topic: "Missions in China." Isaiah 52:1-15. Leader, Miss Eva Alice Barwise. On Wednesday evening will be held the preparatory service. Dr. Smith will speak. On Friday afternoon at 4:15 will be held the Junior Christian Endeavor meeting. Topic: "Love One Another." Matt. 22:37-40. Leader, Miss Elizabeth Jones. On Saturday evening, Feb. 5, at 8 o'clock there will be given under the auspices of the Men's Brotherhood four high class reels of moving pictures. It is hoped to offer such instruction and entertainment as will satisfy those who are most critical of moving pictures. On Sunday evening, Feb. 6, at 7:30 the well known moving picture of "Blind Barina" will be given and the pastor will preach upon this Gospel theme. This will be, it is expected, a truly spiritual service. There will, of course, be no charge at the door on either of these evenings. But an offering will be taken to defray expenses.

Greater Special Inducements offered of all Winter Garments, Furs and Millinery, to reduce our large stock.

Whole number of wards of the court under care.....10

One of the encouraging aspects of the month's work has been the number of different individuals and organizations that are giving volunteer service. The West Side Art club, this year as last, is keeping clothed and in school the children of four or five needy families; Miss Irene Merrill and Miss Eleanor Moore have worked on our subscription list; at Mr. Parlin's suggestion one of the pupils in the high school business course, Miss Emme Haefle, has been doing some long-desired stenography and typewriting for us, at the same time securing good practice for herself; two business men are helping to keep a couple of refractory youths in school; and a group of women from the Parsonage Teachers' Association of the Independence school are proposing to give an afternoon of mending next week.

FUNERAL OF WHITE HALL MAN SUNDAY

Remains of Floyd Doyle to Be Laid to Rest Sunday Afternoon—Edward Smith is Patient at Springfield Hospital.

White Hall, Jan. 28.—Final details of the funeral over the remains of Floyd Doyle, age 21 years, await the arrival of his brother, Lloyd, who is stationed at Fort Adams, Rhode Island, in the military service, but the services will probably be held Sunday at the home, four miles west of town. The young man died at 6:30 a. m. Thursday from typhoid fever, with which he was ill about two weeks. He was the son of Mr. and Mrs. Lee Doyle, the DoYLES being well known over this section, and the deceased has resided on the Doyle farm since his marriage about a year ago, the widow being formerly Miss Helen White of East St. Louis. It has been decided to hold the funeral services at the home, and the burial will be in the White Hall cemetery.

Encouraging reports come from the Springfield hospital as to the condition of Edward Smith, age 8 years, son of Lynn C. Smith, who underwent a very serious operation for appendicitis last Tuesday evening on arrival at the hospital. Lack of local hospital facilities came very near costing the life of this youngster. The movement to provide a hospital at White Hall that will be adequate to serve this territory, is not entirely dead, but might be so considered were it not for the expressed interest of Dr. W. C. Tunison, who is quoted as considering the purchase of a splendid piece of residence property and converting it into a hospital. There is not a hospital in Greene county, and this entire division of the Burlington is without hospital facilities, the nearest hospital on the C. & A. being at Jacksonville. Charles Richert, pastor of White Hall business men, regards a hospital as the most important matter to be considered by our people, and the idea is taking deep root. Dr. Tunison will find strong support in his proposed undertaking.

Try our Chicken Dinner Douglas Cafe—75c

Mrs. Ida Hamburg, of Brattleboro, Vt., who says she never dreamed there was anything on earth that would do what Tanlac has done for her. Gains twenty-seven pounds.

"I think it is perfectly marvelous the way Tanlac has built me up. Before I began taking it I was in wretched health and only weighed 117 pounds. I now weigh 144 pounds and my health is splendid. I never dreamed that there was a medicine on earth that would cause me to regain my former weight and health in so short a time, but Tanlac did it and I simply can not tell you how grateful I am to this wonderful medicine."

I suffered for two years from indigestion and dyspepsia and was in a very badly run-down condition. I had a tired, worn-out feeling nearly all the time and rarely had any appetite.

At times I would have indigestion so badly that I could hardly breathe. I also suffered from palpitation of the heart, severe headaches and pains in my back, but thanks to Tanlac all of these terrible symptoms have left me and I now feel as well as I ever felt in my life.

Another thing: I sleep just splendidly at night now and never suffer from nervousness like I used to. Tanlac is certainly a wonderful medicine and I am only too delighted to recommend it to my friends." The above statement was made recently by Mrs. Ida Hamburg, of 316 S. Main St., Brattleboro, Vermont.

Tanlac is sold in Jacksonville by Coover Drug Co., Wyle Drug Co., Franklin and Waverly, and by the leading drug store in all cities.—Adv.

BIG EGG YIELD

"From a small flock of hens I now get 20 to 25 eggs per day, whereas before giving them Dr. LeGear's Poultry Prescription, I only received three or four. Its cost has been repaid to me over and over." So writes Mrs. J. W. Montgomery, Tunnell Hill, Ga.

You should increase your yield now, while prices are high, thru Dr. LeGear's Poultry Prescription. It is a tonic which builds up the hen's strength and vitality, and stimulates the egg-producing organs.

For 28 years Dr. LeGear has been recognized at America's foremost Expert Poultry Breeder and Veterinarian. Any time your poultry or stock are ailing, it will pay you to get the proper Dr. LeGear Remedy from your dealer. It must give satisfaction, or your dealer will refund your money.—Adv.

TUBERCULOSIS LEAGUE WILL HOLD MEETING

The Morgan County Anti-Tuberculosis League will hold its annual meeting, Tuesday, February 1 at Centenary church. A chicken pie supper will be served at 6 o'clock. The tickets will be \$1. All members and friends of the league are urged to be present.

ILLINOIS COLLEGE NOTES

President Rammoekamp made a brief address to the students at the chapel exercises Friday morning, giving an account of his trip to the coast; his attendance at various association meetings; and the New York Alumni banquet. The endowment meter was moved forward to the extent of \$5,500. The subscriptions reported included one of \$4,500 from an anonymous donor residing in a nearby city; \$500 from an eastern alumnus of the class of '99; and various other subscriptions chiefly from alumni. Among these other items was a subscription from Edwin G. Baldwin, of the class of '94. The subscription from Mr. Baldwin now gives the class of '94 a 100 per cent record, every graduate of that year having subscribed to the fund.

An instrumental quartet consisting of Russell Pinkerton, trombone; W. P. Roberts, cornet; Willard Rubendall, cornet; and Charles Scott, baritone, played at the chapel exercises Friday morning to the great delight of the students. The quartet received a most enthusiastic encore.

A "sing" will be held at the home of Professor and Mrs. G. H. Scott Sunday afternoon. There will be no devotional service Sunday evening.

Students at the college will be busy with the final semester examinations during the coming week.

One of the most interesting episodes at the recent meeting of the New York Alumni association was the reading of the telegram of greetings from the newly organized alumni association of southern California. The telegram was worded as follows:

"Illinois College Club of Southern California extends greetings across the continent to the New York club. Though but an infant two days old, we number nineteen members, the oldest being T. O. Douglas, '65, and the youngest, Dr. Edgerton Crispin, '92. One member, Maria Kirby Frampton, Class '96, is the grand daughter of William Kirby of the Yale band. We expect to carry on, M. G. Frampton, '98, president, Edgerton Crispin, '92, secretary-treasurer."

The downward trend of prices has struck the Illinois College club. Board was reduced at the club from \$5.50 to \$5.00. The club is run cooperatively by the boys and board is furnished practically at cost.

The Rev. W. F. English, of Chicago, gave a strong address on "Values" at the chapel service Monday. He emphasized the idea that the worth of an individual is more significant than that of one's material possessions.

Dr. Jesse Yanon, representing the interests of his own people in Armenia, gave a very interesting address to the students Thursday morning.

FUNERAL IS HELD AT ARENZVILLE FRIDAY

Late Mrs. Catherine Winkleman laid to Rest Friday Afternoon—Recent Happenings in Arenzville and Surrounding Territory.

Arenzville, Jan. 28.—Funeral services for the late Mrs. Catherine Louise Meyer Winkleman were held Friday at 12:30 o'clock at the family home and at 1 o'clock at the St. Peter's Lutheran church here. The services were largely attended as the deceased had for years been a resident of Arenzville and was known to most of the residents of the community.

The deceased was born July 29, 1861, and passed away on Tuesday, Jan. 25, after a long illness. She is survived by her husband and five children: Mrs. Minnie Meyer, Albert, William, George and Lawrence Winkleman, all of Arenzville. One sister, Mrs. Kearny, and one brother, both of this vicinity, also survive. There are also a number of grandchildren surviving.

Mrs. Fred Engelbach was a shopper in Jacksonville one day this week.

Mrs. Charles James of Meredosia, came Thursday to visit with Dr. Streuter and family.

J. A. Weeks was a business visitor in Jacksonville Thursday.

Henry Zahn spent Tuesday in Jacksonville with his daughter, Mrs. J. G. Berger, and family.

Fritz Engelbach has returned to his studies at Illinois college after a two weeks' vacation at home.

Mrs. Goodpasture of Concord, was a guest at the Turkey home several days this week.

Mrs. Herman Adelman of Meredosia, is here for a few days' visit at the home of Mrs. W. L. McCarty.

Mrs. Henry Zahn has returned from Beardstown, where she has been a guest at the home of her aunt, Mrs. Matilda Hinners.

ILLINOIS WOMAN'S COLLEGE NOTES

Miss Beatrice Horsborough with her mother arrived in the city Thursday noon. Miss Horsborough is to take Miss Moore's place in charge of the violin department of the college. At the present time she has rooms with Mrs. W. T. Raugh on West College avenue.

At the annual roll call at the K. O. P. hall Thursday evening Miss Grace Terhune sang and Miss Anna Canada gave same readings. Miss Canada is a student in the School of Expression, Friday evening. Miss Beatrice Wood, also of the School of Expression, read for the Jacksonville Rebekah lodge No. 625.

Through the kind offices of friends a new Chickering Grand piano is now on the road to the college. This will be of special help in the number of recitals which are now being given.

An item of interest about one of the graduates of the college was in the report of the State Civil Service Commission as shown in the Associated Press dispatches of Friday. Miss Gladys Goodale, who finished the work in home economics and is now dietitian in the State School for Girls at Geneva, lead the list in her special field. She was classed in this report as a baker.

The semester ends with the 31st of this month; the new semester begins the day following and is a most excellent time for those interested in special work, such as music, expression, art and physical education. Special advantages comes to the girls and young women who have had these opportunities.

Miss Miller of the College of Music will be a judge at a contest managed by the Amateur Musical club at Springfield. This contest will decide who will receive the scholarship founded by the club.

Miss Rachel Davis, who is a student in the secretarial department made a splendid record in the official test. Her record for the regular ten minute test was seventy-two words a minute. Miss Davis is from Robinson, Ill., and has been very successful in all her college work.

LONG TIME VIRGINIA RESIDENT PASSED AWAY

Death of John Wilson Follows Paralytic Stroke—Fisher Family to Remove to Peoria—Other Virginia News Notes.

Virginia, Jan. 28.—Funeral services over the remains of the late John Wilson were conducted from the residence of his daughter, Mrs. R. B. Long Wednesday at 2 o'clock. Rev. Max B. Wiles, pastor of the Presbyterian church in charge.

Mr. Wilson suffered a stroke of paralysis Friday from which he never rallied. Deceased was born in this city in 1851, residing here practically all his life, following the tinners trade. In early manhood he was married to Miss Lila Gilpin who, with two daughters survive. Namely: Mrs. Dorris Pratt and Mrs. Dollie Long, both of this city. Also 3 brothers: Chas., Jos. and William Wilson, and one sister, Mrs. Mary Buckley all of this city.

Interment took place in Walnut cemetery; the local M. W. A. members having charge of the services at the grave.

John Chittick residing east of this city, will hold a closing-out sale. Feb. 3, Mr. Chittick will retire from farm life.

Mr. and Mrs. Chas. Angies are the parents of a daughter, born Saturday, Jan. 22, first child.

Owen Clark who is suffering from an attack of rheumatism was removed to a Springfield hospital today.

The families of Rev. Geo. Boyd and Harley Boyd are quarantined at their homes with scarlet fever. Some of the patients are seriously ill with the malady.

Mrs. John Heusted spent a few days this week at the home of her daughter, Mrs. Robt. Phillips in Petersburg.

Wm. Crawford is moving to the W. R. Martin residence today. Among the other recent movers are Mr. and Mrs. Ed. Nix, removing from the Caldwell residence to the J. E. Laureman residence. Mr. and Mrs. Earl Potofish will occupy the Caldwell home, vacated by Mr. Nix.

Messrs. Frank Salzman and David Needham, ex-service men of this city, are patients at a Springfield hospital, where they will undergo operations.

Mrs. Martha Mallicote, an aged resident of this city is quite ill at the family home in this city.

Miss Greta Elisabeth Gill, daughter of Mr. and Mrs. Sam'l. Gill, who recently underwent a serious operation at a Jacksonville hospital, is improving in a satisfactory manner.

Mrs. L. A. Anger is a patient at the Home Sanitarium in Jacksonville.

Mr. and Mrs. W. B. Finn spent the first of the week visiting with relatives in the Capital city.

Mr. and Mrs. Geo. Fisher are disposing of their household goods preparatory to going to Peoria, where Mr. Fisher will enter a conservatory of music.

Mrs. Dorothy Gibson will depart Saturday for Springfield, where she will be employed.

FUNERAL OF BOY IS HELD AT ASHLAND

Remains of Lloyd Gaddis Laid to Rest Thursday Afternoon—Catholic Ladies Served Supper—Other News From Ashland.

Ashland, Ill., Jan. 28.—Lloyd Gaddis, son of Mr. and Mrs. Levi Gaddis, was buried here Thursday afternoon, the funeral service being conducted by Rev. Wright, pastor of the Baptist church. Lloyd was fourteen years of age and was taken suddenly sick Monday and died Wednesday morning at 2 o'clock. He is survived by his parents, one brother and one sister.

Miss Kathryn Henn has returned home from Our Saviour's hospital, where she was operated upon for appendicitis.

The seven weeks old son of Mr. and Mrs. Lloyd Zirkle who died at Springfield after a ten days illness of pneumonia, was brought to the home of his grandparents, Mr. and Mrs. Thomas Zirkle, Wednesday afternoon, where the funeral will be held this morning at 11 o'clock.

The Catholic ladies served supper at their hall Tuesday evening. They had a good attendance regardless of the bad weather.

IT FILLS THE NEED

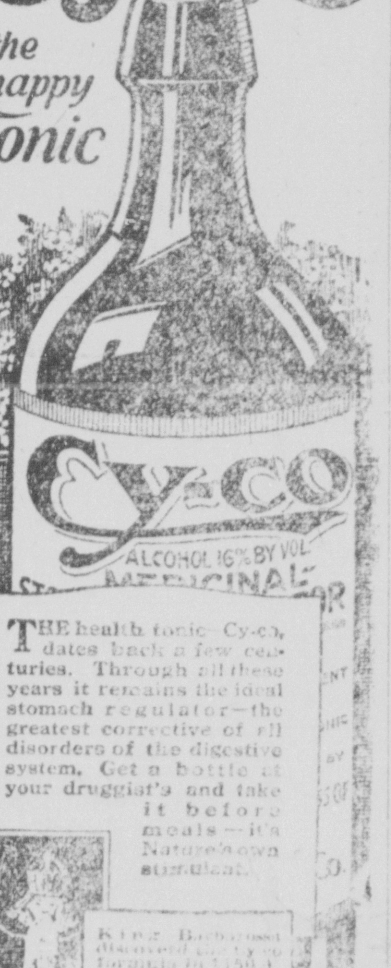

When your doctor decides that you need Scott's Emulsion you may rest assured that he knows that it will fill the need better than anything else.

KI-MOIDS

(Tablets or Granules) FOR INDIGESTION

CYCLO
the snappy Tonic

THE health tonic, Cyclo, dates back a few centuries. Through all these years it retains the fact of stomach regulator—the greatest corrective of all disorders of the digestive system. Get a bottle at your druggist's and take it before meals—it's Nature's own assistant.

REINFORCED BY VITAMINS

WOMAN'S RELIEF CORPS

Rummage Sale, Opera House Block, Friday and Saturday.

ILLINOIS WOMAN'S COLLEGE NOTES

Miss Beatrice Horsborough with her mother arrived in the city Thursday noon. Miss Horsborough is to take Miss Moore's place in charge of the violin department of the college. At the present time she has rooms with Mrs. W. T. Raugh on West College avenue.

At the annual roll call at the K. O. P. hall Thursday evening Miss Grace Terhune sang and Miss Anna Canada gave same readings. Miss Canada is a student in the School of Expression, Friday evening. Miss Beatrice Wood, also of the School of Expression, read for the Jacksonville Rebekah lodge No. 625.

Through the kind offices of friends a new Chickering Grand piano is now on the road to the college. This will be of special help in the number of recitals which are now being given.

An item of interest about one of the graduates of the college was in the report of the State Civil Service Commission as shown in the Associated Press dispatches of Friday. Miss Gladys Goodale, who finished the work in home economics and is now dietitian in the State School for Girls at Geneva, lead the list in her special field. She was classed in this report as a baker.

The semester ends with the 31st of this month; the new semester begins the day following and is a most excellent time for those interested in special work, such as music, expression, art and physical education. Special advantages comes to the girls and young women who have had these opportunities.

Miss Miller of the College of Music will be a judge at a contest managed by the Amateur Musical club at Springfield. This contest will decide who will receive the scholarship founded by the club.

Miss Rachel Davis, who is a student in the secretarial department made a splendid record in the official test. Her record for the regular ten minute test was seventy-two words a minute. Miss Davis is from Robinson, Ill., and has been very successful in all her college work.

Guaranteed for 20 Months

A Shetland Pony For You

Only One Pony Given to a Family

Can you fill in the missing letters under one of the ponies and complete the pony's name? You can do this if you try. Just write Uncle Joe and tell him the name of one of the ponies, and he will tell you how you can get a beautiful Shetland pony with bridle and saddle, all trained to ride and drive.

You will be the proudest one in your neighborhood when you get a real live Shetland pony, and you can get one if you will. Uncle Joe has a pony for you, so be sure to write and tell him the pony's name.

Send 2c in stamps, and he will send you a copy of our popular magazine. Write quick; send coupon today to Uncle Joe, the Pony Man, Des Moines, Iowa, and he will tell you how to get one.

Uncle Joe, the Pony Man, 312 Popular Bldg., Des Moines, Iowa.

Dear Uncle Joe:—The name of the pony I want is.....

Please tell me how I can get a Shetland pony without one penny's cost.

Name.....

P. O..... State.....

St. and No..... R.F.D. No.....
